### **The First Two Rains!**

From Abraham's time throughout the times of the Gospel dispensation, the hope of Israel, was to receive the refreshing rains. Which would enjoin the people of God eternally to God. Now after the rebuilding of the Tabernacle Church completed by James T. Webb, it is now the will of God to complete and finalize the plans of salvation written by Mother Wisdom initiating the process of deliverance. "And it shall come to pass, that whosoever shall call on the name of the Lord shall be delivered: for in Mount Zion and in Jerusalem shall be deliverance, as the Lord hath said and in the remnant whom the Lord shall call. We are the remnant spoken of here. This same remnant was attacked and became involved in a deadly, spiritual war of the mind with a mad dragon. We also see by the light of our doctrine, how our enemy, did plant his own seed among us to block, steal, and prevent the blessing of our return to our God. Mother Wisdom, set forth a system of the outpouring of the Holy Spirit called "the rains". This system shall not only defeat this fruitless attack against our salvation by the dragon and his children, but also shall bring us into the heavenly family by an eternal process called, "the adoption."

1. As we wait on the rains from God, what are some of the steps we must take to reach our goal? Hosea 10:12
2. Wisdom teaches us about the harvest of souls, using field crops as an example. What process is illustrated to us? Hosea 6:3
3. Knowing full well that the proper amount of rain is needed for a full growth, what promise is left for us on this matter? Joel 2:23, the former rain is for repentance and gathering, and the latter rain is for zeal and instruction.
4. In our study, we learned that Christ our God, and Mother Wisdom have a book of Time, where everything is set to time. What do we see concerning this subject? Eccl. 3:2
5. From this text of scripture, what statement is made that lets us know that God will reveal to us this time or season? Zech. 10:1
