## **“Genetic Abomination” Part I**

With all my heart, I do plea with the Holy and Heavenly Mother Wisdom, to protect my heart from pride, arrogance, and the evil way. Help me to surrender my will to the will of God. I plead that my God will consume me, with the seven spirits of my heavenly father Jesus Christ, that I might rejoice in serving God with all those who love him, in the service, glorification, and magnification of the full throne of God; with a special salutation to the Wisdom of God, Most Holy, amen. By permission, we are commissioned to write unto his saints, concerning the horrible hour which we all face; at this time. The seven-headed dragon has been put to sleep for the moment; he has been moved out of the way for the appearance of the two-horned beast. This was prophesied by Zerubabel in the early nineteen seventies. The two-horned beast, is now the leading force of evil on earth, he brings with him the forces of hell and heaviness. Dream occurred during the early 1970's. I was just walking down the street when suddenly several feet in front of me there was an earthquake. There was an enormous hole left in the ground from the quake. Suddenly, a very large reptile, several stories tall, emerged from the hole with two even larger horns extending from the top of its head. It stared down at me as I braced for a confrontation with this very large thing. As I stood witnessing its every move, a cave opened up from the earth with steps protruding downward, I could not see into the cave due to a fiery, red dust was in the air. A very old and nasty looking woman exited from the dust with a broom in her hand, as she was sweeping the red dust into the air. She begged me to follow her down the steps into the red dust, but I refused, stating to her that I knew who she was – The Knowledge of Evil – and I was going to burst her head with the largest rock I could find. I then began searching the ground, picking up several rocks in search of the largest one that I could find.

## **“Genetic Abomination” Part II**

First, let me say that Zerubbabel fully explained to us that the two-horned beast of Revelation 13:11 was the United States of America in prophecy. The body of the beast represents the U.S. Government. It emerged from the ground due to its formation from several nationalities of invading immigrants from other nations across the world. The two horns on the beast’s head represent the two dominant religious powers, which rule, and dictate to the consciences of the invading immigrants, namely the Catholic Church and the Protestant Churches. Now as this force from hell under the symbol of the two-horned beast emerges, it will become connected to the U.S. Government and the two church bodies, and shall bend them to the will of the Knowledge of Evil. In vision, Brother Webb saw them (the two-horned beast of Revelation 13:11 and the knowledge of evil) in the act of fornication. From this act came forth the “Anti-Christ”, also known as the “Man of Sin”. As this hell bound force of power emerges from beneath, it brings with it a force of heaviness, which sears the conscience of all that are not God; St. Timothy referred to these as ‘seducing spirits’. The two-horned beast is here to destroy human civilization by turning them against righteousness and God. It brings with it seducing spirits, such as the “sodomite spirit”, whose contemporary name is **“Gay Rights”**. The two-horned beast is the force behind the gay rights movement. This government will change its’ laws to protect this spirit force and promote its growth from state to state. The two powerful religious organizations will also agree and accept gay rights within their organizations. All political figures will do the same due to loss of votes, if they refuse. Also during this time, the sealing of the saints will be completed and the winds will blow, that were held in Revelation 7:1-4.

## **“Two-Horned Beast in Action”**

3. What will become of all those who have not the testimonies of Jesus sealed within their heart? I Timothy 4:1-2
4. During these perilous times, which is also called the “Hour of Temptation” how will the behavior of man be affected by the evil spirit coming from the beast of Revelation 13:11? II Timothy 3:1-2
5. Continuing in our watch of the gay rights movement; what is said of their affection towards one another? II Timothy 3:3-4

## **“Genetic Abomination” Part III**

The Wisdom of God warns us; that the dragon is making up his seed, among both the government and religious worlds. The worship of God from all religious affiliations throughout the world is considered an abomination. The mercy and tolerance of the Gospel Dispensation, is over forever. The two-horned beast has injected his force from hell, into all religious establishments and anything that remotely resembles righteousness, shall be lost forever. All religious affiliations in the United States come under either the Catholic Church, or its Protestant break-off, this includes: Baptist, Methodist, Sanctified, etc. The point we must remember is that these religions do not have the commandments of God and the testimonies of Jesus as their doctrine. They do not even know what it is, thus they shall be unprotected and without shield from these evil forces. The beast, is currently feeding these establishments with the bread of outer darkness, which will enable them to accept and embrace sodomite sin and other abominations. Regardless of how the name of Jesus is used or called upon, God has now turned his back completely on these systems of religions. In addition, the saints held captive by them must come out, or risk being seared and spiritually fed the bread of outer darkness by the two-horned beast.

Dear Friend, this is the “Hour of Temptation” spoken of by our Lord. This choice to serve God must be made by all. Our religious systems are corrupt before God, and cannot challenge the satanic forces; which confront us. We must consider the example left us, by the Prophet Webb, when he saw that his beloved Seventh Day Adventist Church had become corrupt. He withdrew, and his home became a house of prayer and his church. With this one move, he maintained his relationship with God. Soon God shall send word to all saints living on earth, to “get ready”, for the judgment of God.

4. What will happen to all that are not rooted firmly during the ‘Hour of Temptation’? Luke 8:13
5. Finally, what is the doctrine of those that adhere to the abomination sent forth by the beast of Revelation 13:11? II Thessalonians 2:11
6. As we pray for our families, friends, ourselves, as well as all saints, what comfort is left to us? St. John 10:27-28

## **“Genetic Abomination” Part IV**

[Webster on the term “genetic”: *the branch of biology that deals with heredity and variation in similar or related animals and plants; the genetic features or constitution of an individual, group, or kind; the origin of makeup.*] [Webster on the term “abomination”: *anything that is hateful and disgusting.*]

The worlds’ religious system is spiritually dead and has no power to produce a relationship with God. Already, the saints have begun to leave the churches in massive numbers. Being fed up with lies, distortions, and constant pleas for more money from a tithing system; which was never meant to be for the church under the Gospel Dispensation. The force of the two-horned beast is now bending the foundations of religious orders, to the will of the Knowledge of Evil. The chains of command (which incorporate these churches) have begun to change their constitutions; and shall send many saints who have chosen their way of worship, into derision. The two-horned beast shall work through their genetic seeds; that have already been planted in every house of faith on earth. Matthew 13:38 **“But the tares of the children of the wicked one:”** verse 39 states, **“The enemy that sowed them is the devil.”** Genesis 17:9, and verse 19; here God makes it clear that the word “seed” is used for the representation of “men.” Know this; the world is full of human beings who are not listed in the Lamb’s Book of Souls. They are being seared and branded by the two-horned beast, making them ready for the mark. These are called the seeds of the serpent. The Wisdom of God wants us to understand that these people were never God’s intended creation, for they were planted by the devil.

### **“The Inherent Atrocity”**

1. In this text of scriptures, under what symbol do we find the saints of God? Matthew 13:37-38
2. Who was responsible for sowing the seeds that produced the tares? Matthew 13:39
3. Where did the fight between the seed of the woman, and the seed of the serpent begin? Genesis 3:15
4. As we acquire knowledge from studying the effects of the evil seed that grows within and how it matures the tares; what example of this process is shown to us? Luke 22:1-6; Reference: Matthew 26:14-16
5. In light of the fact that tares do not have souls created for them, what did Christ say concerning Judas Iscariot that would apply to all tares? Matthew 26:24

## **“Genetic Abomination” Part V**

**“So the servants went out into the highways, and gathered together all as many as they found, both bad and good: and the wedding was furnished with guests. - Matthew 22:10** This scripture refers to the makeup of the new covenant church, (Tabernacle of David) which was prophesied to come into existence by both the prophets of old and the apostles of Christ. God will build the new church of Israel after the Gospel Dispensation ends. The phrase **“after this”** meaning after the time of the gentiles. – **“I will return and build again the Tabernacle of David which is fallen down.”** This will occur after the saints amongst the gentile nations were recorded and sealed by God. It is at this point that God will forgive Israel of their sins, and remove the blindness from their hearts and minds. By one act of Christ, all sins of the saints were forgiven, after this action; God will pour out the “spirit of question” as to the inheritance and nationality upon Israel in the strange land, in which they were enslaved. The “spirit of question” will create a thought in their minds to seek answers and thus the people would be gathered, all done by the spirit of God. The Devil-dome kingdom watched and waited for their chance to infiltrate and attempt to spoil the plans of God. While the Lord did command the angels to gather together the seed of Jacob; the devil pushed his own seed, to join in on the gathering, and they became intermingled with the wheat of the harvest. By 1973, the angels of God lead many to James T. Webb. Thus, both the invited and the seed of the devil; came and walked within the church of God.

### **“Both Good and Bad Came”**

1. In this parable, we see the gathering of the new church under the symbol of a wedding. What is the condition of them that were first bidden? Matthew 22:8  
\*Note – The original guests were the Sabbath Keeping Churches to whom the Prophet Webb sent word.
2. As we well know, these Sabbath Keeping Churches did not accept the invitation. Where would the spirit begin to search for wedding guests? Matthew 22:9
3. Remembering that parables are mysteries with hidden secrets (revealed only to the saints), who heard the call from the highways? Matthew 22:10
4. A wedding is a formal event, and one must prepare to look their very best. When the king came to inspect the guests, what did he find? Matthew 22:11-12
5. Now as we compare this parable to the one concerning the sower; what happens to the offender in the end? Matthew 22:13 and Reference Matthew 13:41-42
6. Now that we completely understand the devil’s plan to infiltrate; what is the last precept in this parable? Matthew 22:14

## **“Genetic Abomination” Part VI**

Now for many years, the “Little Church” struggled against the seven-headed dragon, to keep itself clean and spiritually spotless before God. The entire chapter of Revelation 12, is devoted to explaining the struggles of the church. However, emotionally unprepared, the church was not ready for the death of Zerubbabel. Neither did the saints in the church realize that the leadership of the church, infested with the seed of the serpent, was hiding behind false meekness and care for them. These were the children of the Pharisees, which did keep the “commandments” of God, but could never hold to the “testimony” and “faith” of Jesus. Thus, when Zerubbabel died, their faith in God died with him. The devil entered their hearts as with Judas when he realized that Christ did not come to establish a kingdom on earth, but in heaven. The devil gave them a lie formed from the “spirit of sorcery” to explain Zerubbabel’s death. Those who have vowed to protect and serve, now attack by sorcery and lies, seeking self-glory and autonomy, over the saints of God. Here are tares, the direct seed of the serpent and genetic abominations, of Devildome’s evil. This lie allowed the dragon forces to penetrate the church, set up a program of evil counseling. Whereby, the devil would attack the saints, by destroying their family structures, and by implementing policies, that would prevent all remaining members from adhering to the testimonies and faith of Jesus Christ.
