## **“His Vengeance Touches the Sabbath Keeping Churches” Part I**

The Wisdom of God shall at this time, break the spell of fear placed upon you. She will also put a stop to the accusations that were brought upon you; by the dragon and his wicked servants; who have become victims of the foul spirit of the birds. Matthew 13:4 “When he had sowed some fell by the wayside, and the fowls came and devoured them up.” To fall by the wayside is to cease having faith in the promises of God. When one falls victim to this spirit, it is then that the dragon will sway one to reject what is required of the doctrine of God, the holy law and testimonies.

Knowing full well that God will judge all lovers and makers of lies, thus it is with great fear of the Lord, that we take this stand against the seven headed dragon, who seeks to lead the Little Church away from the doctrine of God. Now the church, which has been attacked by the dragon’s influential spirit of controversy; is full of chaos. Webster on controversy: 1) turned in the opposite direction, 2) a discussion of a question in which opposing opinions clash. Members are being threatened with expulsion, through intimidation. No one is allowed to express the spirit given to them by God, without being made to feel that they are confronting the prophet of God. The truth is the Lord will never take such an approach against his children. The deliverer must now be sent to turn this church back to the path of God.

## **“His Vengeance Touches the Sabbath Keeping Churches” Part II**

I will tell you a story, the year is 1967, and Brother Webb has finished his work, which God had given him to do. He wrote booklets that were sent to all world governments and religious bodies, announcing that the judgment of God has come. In this time period, during the six day war, the Edomites; reclaimed the land of Israel, whereas that land would now be in the hands of a people labeled Jews. This was significant in that Brother Webb knew that the time of the gentiles would be complete at the end of the world; or at the start of the rebuilding of the House of Israel, as told by Christ to the disciples. Thus, the new covenant and return of the true Jews to God, was about to take place. The spirit of prophesy was poured out from Heaven, upon the lost tribe of Israel who were former slaves of the United States. They began to understand their identities as the word spread. Through communication, God lead the hungry, sick and young souls to the Prophet James T. Webb. This is the planting of the seeds in Matthew 13<sup>th</sup> chapter. After being nurtured and assured in the knowledge of their inheritance, they began to learn many hidden secrets of God. Their relationships with the Prophet Webb grew to a love that was stronger than kinship.

## **“His Vengeance Touches the Sabbath Keeping Churches” Part III**

The Webb family, under the direction of the Almighty Wisdom of God, established the church foundation beginning in 1973, and lasting to mid 1976. This time period was used for our grooming. We were taught our history, laws and testimonies, as well as, how to operate and run as a church family. Also, assignments were handed out; which were tasks that would make the church run in perfect harmony. No one man would have all of the responsibility; therefore, he would have no reason to have glorified himself. This teaching lasted for three and a half years and during this time; the bond between the church and the Webb family was firmly established. They protected us as one would his own child. Many times, attacks came to the church, and you would see the Webb’s band together, like no other army on earth. They would fight vehemently, if outside forces thought to harm any one of us.

Two reasons come to mind as to why the prophet Webb was ordered to remove himself from the church: (1) The church would have to learn to stand on its own, and (2) It was never the will of God that a prophet governs or leads a nation or church. Moses established Israel coming out of Egypt, but the day to day tasks of governing were left to Aaron, Joshua and Caleb, who lead them into the promise land. Now back to the church, (Revelation 12:15-16), The teachings from these waters are to separate you from your families; and have nothing to do with treating someone in the way that you would want to be treated, which Christ counted as a golden rule.

### **“Getting Us Ready”**

1. Where was the woman taken for her feeding, and how long would this last? Revelation 12:14
2. After the three and a half years of grooming from the Webb family, what obstacle was placed before the church? Revelation 12:15.
3. How was the woman helped against the flood waters from the dragon? Revelation 12:16  
\*Note the earth is the keyword in these texts, (Tobit 3:6), “And command my spirit to be taken from me, that I may be dissolved, and become earth:” (Wisdom of Solomon 7:1) “I myself also am a mortal man like to all, and the offspring of him that was first made of the earth,” (Ecclesiasticus 10:9), “Why is earth and ashes proud?” Here we see the earth as a symbolic code for men. The earth that swallowed the flood waters is man; in these waters are the spirits of hypocrisy and lies. They will falsely accuse and try to intimidate you, because their nature is to control and consume.
4. After the dragon’s unsuccessful attempt with his flood waters, what is his next move? Revelation 12:17
5. How will the saints be able to overcome, in this war with the devil? Revelation 12:11
