## **“The End” Part I**

We employ you to stand with us, and welcome the Mother of all the creations of God; The Most Holy and Divine Wisdom of God. It is she, who designed the plans of salvation; for she says in Proverbs 8:35 *“whosoever findeth me findeth life, and shall obtain favor of the Lord.”* It is time to welcome the Wisdom of God to the earth. She is coming personally, to welcome the wave sheaf group. We write unto you concerning this hour of deliverance. As in previous lessons, we were not commissioned to include Brother Webb’s writings in any of the previous classes. However, at this time, God has instructed us to utilize all means at our disposal; that whosoever reads might fully understand the magnitude of the experience, and importance of this hour. It is with all love that our hearts can muster, that we write this letter unto you. Your attention is turned to Matthew 24:29 and Revelation 2:10. *“Fear none of those things, which thou shalt suffer, Behold the devil shalt cast some of you into prison, that ye may be tried; and you shall have tribulation ten days; be thou faithful unto death, and I will give thee a crown of life.”* Brother Webb did prophesy concerning this ten year period, a time called “those days.” This is separate from the grooming period; it will come at the very end of the church experience. A quote from Brother Webb’s letter The Great Time of Judgment: “Now that we are in the wilderness of seclusion from the world and under great tribulation by the dragon, the saints are in downcastment by the tail of the serpent. He makes war with the saints; he casts them into prison for ten years. The condition against us, called a “woe” is as seen in Revelation 12:12.” Here Zerubbabel makes it clear that the condition is personal between the dragon and the Wave Sheaf Church. Remember this is the same condition by which we shall be delivered; immediately after “those days.”

## **“Those Days”**

1. How long will some of the Wave Sheaf be put into prison, and what conditions will they face? Revelation 2:10  
**\*Note:** This time period is under prophetic time, one day equals one year.
2. What can we compare the tribulations of ‘those days’ to? Matthew 24:21
3. What would be the outcome of all who are fighting this war; if those days are not shortened? Matthew 24:22
4. What statement is made; concerning those arrayed in white robes? Revelation 7:13-14
5. What will happen immediately after the ten year tribulation period? Matthew 24:29
6. As we notice the dark day follows immediately after “those days”, what will be seen behind the clouds during this time? Matthew 24:30

## “The End” Part II

Know for a fact, that the faith of the saints will be tested in this hour. You will not only bear the scars of an unrighteous and unjust chastisement, in both your mind and body, you will also have to decide between truth and lies. The dragon has infiltrated the leadership of the church; they are attempting to turn the church from its chartered course, mapped out by the Wisdom of God. This is the war talked about in Revelation 12<sup>th</sup> chapter. He wants to take the church by force, using the spirit of sorcery. [Webster on the word **sorcery** – the supposed use of evil, supernatural power over the people and their affairs, witchcraft, black magic] The Wisdom of God explains that when Brother Webb died, she owed no one an explanation. However, God did give us understanding through the works of Zerubbabel himself. Here is the truth of that matter; God set Brother Webb as the administrator of the everlasting gospel. Webster on **administrator** – one, who administrates, directs, manages, executes, distributes or dispenses the affairs of a proper authority. Here we see that Brother Webb was the testator of the new covenant, which could not be enforced until the death of the testator. [Webster on **testator** – one who makes and leaves a legally valid will or testament at death] It is very important that we get the correct understanding about James T. Webb. All that he prophesied and preached, including the emergence of the Tabernacle of David, the new covenant, wave sheaf group being human seed from the 144,000, and we being delivered from evil could not go into reality until the death of the testator.

## “The Hour of Your Faith”

It was reported to the church, that while sitting in the hospital hall, and watching Zerubbabel’s dead body on a hospital bed, a red horse appeared, and Zerubbabel’s spirit left his body, and joined the red horse of fire, which took him out of the earth. ***This is a bald face lie!*** As we will see in our questions below, when someone is changed while standing on their feet, there is no body to be found! There is no other deliverance besides being changed while standing on your feet and the other is resurrection.

1. What was found on the scene when Elijah was taken from the earth? II Kings 2:11-12  
\*Note – Nobody was left by this deliverance, only clothes which were unfit for the trip.
2. What statement was made about Enoch not having to see death? Hebrews 11:5
3. What affect will those who are still alive; have on the resurrection? I Thessalonians 4:15
4. At this deliverance, who is taken first? I Thessalonians 4:16
5. After the resurrection of all the saints, what is said concerning the remaining saints that are yet alive?  
I Thessalonians 4:17

## **“The End” Part III**

First, I must remind all that Brother Webb taught us a doctrine of pureness to live by, which was the commandments and testimonies. He also gave us a rule to apply whenever seeking the truth, ***“If it does not bible, we don’t believe it, if it does not law and testimony...we don’t teach it.”*** The dragon used the spirit of sorcery many times against Israel in the past. Refer to the story of Moses, and during the time of the apostles in Acts. The dragon knew that the baby church was very distraught; over the death of Brother Webb, its mentor and founder; because his death was both unexpected and misunderstood. Thus at this point, the dragon saw a perfect opportunity to enter his seed, which the Prophet Ezekiel refers to as the ancient men. Using the spirit of sorcery, they seduced the church into believing an impossible lie. This was not only in direct opposition of the teaching of the prophets of the bible, but in direct conflict to the words of Christ himself. First let us review the lie that the devil told. It was reported to the church, that while sitting in the hospital hall, and watching Zerubbabel’s dead body in the hospital bed, a red horse appeared, and Zerubbabels spirit left his body and joined the red horse of fire, which took him out of the earth. This statement does not “bible”. There are only two ways to get to heaven, either you are changed while standing on your feet, which leave no body to be buried; or you are resurrected, after you die.

## **“The Truth”**

1. During the deliverance of Elijah, when he was taken from the earth, was there any mention of a form of a body; and what was left to bury? II Kings 2:11-12
2. What was said of Elisha’s interaction with Elijah from that point on? II Kings 2:12
3. What was the key ingredient to Enoch being changed while standing on his feet; and what testimony did he have? Hebrews 11:5-6
4. Give and itemized account of the events that take place during deliverance of both the living and the dead! I Thessalonians 4:15-18
5. What is the event that will lead to the day of the Lord’s vengeance? Isaiah 34:8
6. From what source did the ancient men receive their spirit of sorcery? Revelation 12:15-16
