“The Gates of Hell” Part I

Brother Webb’s booklet entitled “*The Sun is Setting*” page 12, bottom half of paragraph states: “*Later on in this time of trouble, God will transfer the power of Moses and Elijah upon the heads of the two men God finds worthy to do this work.*” God will open the hearts of his servant Elijah, and place within his hands; keys to the prison doors, which holds captive the Tabernacle of David, Church of the New Covenant. The servant shall complete the work of Peter, which was prophesied by Christ the Lord; and finish the building of God’s house of eternal worship; these are the hands of Zerubbabel. Dream – I was walking through a prison with my companion; whom the Lord has given me to help with this service. It appeared that I was a therapist for the men there, and my companion was a guard for he had on a uniform and many keys in his hand, which would unlock all the prison doors. Mother Wisdom will place this spirit upon the anointed servant; whom she found worthy to do this great work. This shall fulfill prophesies of both Malachi and James T. Webb. Malachi 4:5 (4:5) *Behold, I will send you Elijah the prophet before the coming of the great and dreadful day of the LORD: (4:6) and he shall turn the heart of the fathers to the children, and the heart of the children to their fathers, lest I come and smite the earth with a curse.* I heard the voice of the Wisdom of God say, “I will give unto thee the boldness of Moses and the skill of Daniel. I will give unto thy companion; the compassion of Aaron and the knowledge of Elijah.” Michael and Gabriel have been sent to work with us.

“The Gates of Hell” Part II

Night dream of mid 1990’s- I saw the current Head Elder preaching at the pulpit of the Tabernacle of David, when suddenly the light started getting dimmer and dimmer. I walked to the back of the church and asked two elders what was wrong with the lights. They both replied in unison; “the Head Elder is leading the church into outer darkness.” Here is the absolute truth of the matter revealed to me almost twenty years later. The current Head Elder is not the prophet of the Lord! He is a seed of the serpent, manipulated into the leadership of the church, to betray Brother Webb by leading the church into outer darkness. The devil has placed the spirit of betrayal in him, as with Judas Iscariot. The Mighty Wisdom of God has revealed to me that he is the evil spirit child in Brother Webb’s vision- *“I was walking from west to east and I came by the house of the Wisdom of God. I was carrying a baby in my arms. I entered the house of Wisdom and kissed her on the cheek as a son would greet his mother. I then gave her the spirit-baby I had in my arms. There were some dry wood pieces in the corner of the house on the floor. She took the thing as I gave it to her and cast it on the floor upon the dry wood that was there, and it began to shrink and make a noise as one “dying”. There was another vision on the dragon’s spirit-baby, which was that it was cast out of the window to the ground as they tried to throw it on me.”* Brother Webb founded the Church of the Tabernacle of David on nothing, but the pure word of God, the Law and Testimonies, and the faith of Jesus. Moreover they (the leadership, or ancient men) were entrusted by Zerubbabel to stand fast and lead the church in righteous, loving, harmony, until the standing up of Michael. Instead, they enforced ungodliness into Wisdom’s Holy Church. At this time, they have become complete servants of the” kingdom of darkness”, until the activation of the Eagle Angels.

4. What is the set time period for the removal of the tares, and is this the same time period for the deliverance of the saints? Matthew 13:30
*Note – At the beginning of our journey, we did not have enough root for them to remove the tares. Also, it was not clear who the tares were, until the devil entered them.
