“The Hour of Temptation Has Come” Part I

You are living in the hour of his judgment, the Prophet Webb has preached the everlasting gospel, and the nations have been warned. The Gospel Dispensation has ended, the heavenly judgment and atonement has occurred, the Tabernacle of David also known as, Zion and Sion is reestablished. The ten year period of tribulation is in its final stages bringing to an end the seventy weeks, prophesied by Daniel. Here are the beginning stages for the timing of the standing up of Michael. Prepare your soul for the hour of temptation, which has come upon the entire world; to test all concerning the doctrine of their faith, and philosophies by which they live. The dragon kingdom knows that he has but a short time; here are the powers of the dragon given authority and space by God, to shoot their best shots. The Wisdom of God has removed her protective hedge from the world, as she did during the time of the Egyptians, when she removed the pillow of fire from protecting Israel. The Lord used the hatred of this people against themselves to render their own demise. Likewise, the same situation will occur with the Devil dome kingdom, for this time of temptation, coincides with the harvest time.

“The Hour of Temptation Has Come” Part II

The Mighty Wisdom of God will now explain to us; the deeds and intentions of the dragon kingdom during this horrible hour. We must go through and have this experience, yet have no fear; for only the dragon seed will be seared spiritually. **Webster** on the word searing: (a) to burn or scorch the surface of to make dry and hard, (b) to brand or cauterize with a hot iron, (c) to make callus or insensible, to harden as seared with wickedness. I hope it is clear; that the dragon is now preparing his seed for the mark of the beast. First, the victim is separated from the hope of salvation permanently, during this hour of temptation, and later on this will progress into total devotion, including having the mark set within their flesh. But it is here at the searing, that this process begins (Note – having their conscience seared with a hot iron). In preparation of the searing; the dragon uses advance knowledge man has gained through technology against him. Through the spirit of greed, he promises merchants of the earth, massive wealth if, they follow his lead. The governments of the world join in on the hunt for massive communication technology and the wealth and advancements gained from it. Revelation 18:3 quotes: “For all nations have drunk of the wine of the wrath of her fornication,” “and the merchants of the earth are waxed rich through the abundance of her delicacies.” Next, the kingdom of death heavily pushes doctrines and philosophies of evil, such as the movement to legalize and accept sodomite sins. The United States shall lead the charge in promoting this filth, by being the first nation to change its laws to both promote and protect the philosophies of the dragon.

6. What happens to all that do not have protection against the dragon kingdom during this hour? Revelation 18:3
7. Once the searing has taken place on all who refuse to adhere to the testimonies; what do they now believe as truth? II Thessalonians 2:11

“The Hour of Temptation Has Come” Part III

For those who have not known the Prophet James T. Webb, we will briefly explain his teachings. The breakdown to the symbol of Revelation 13:11 goes as such: the body of the dragon coming up out of the earth, represents the United States of America. It did not evolve from other nations or civilizations; out of the earth means an amalgamation of invading immigrants. The two horns of the head of the beast; represent the two religious powers that dominate the country, they are Catholicism and Protestant. When the beast speaks as a dragon, it is when the U.S. government changes its laws to protect the doctrines and philosophies of the dragon kingdom. They are rapidly doing so currently, with the Gay Rights Movement, sweeping the country state by state. This gives not only protection from rebuke, but also rights to invade the holy sanctity of marriage. This changes the natural order set by God, while at the same time, claiming to be a Christian nation. The religious leaders, of both the horns of the beast, as well as, the United States government being the body of the beast, shall bend low to the will of the dragon kingdom. The religious leaders shall hold the counting of tithes more important, than upholding the will of God. The politicians shall hold the counting of votes more important, than being morally correct. While all this is going on, there shall be crimes of unthinkable acts of cruelty and shameless violence. Matthew 24:12- *“And because iniquity shall abound, the love of many shall wax cold.”* Now for the saints, this hour brings about much spiritual heaviness; but our trust is in the Lord. Because of the rise of the two-horned beast, which is a power from hell, the spiritually connected may feel severe heaviness of the heart and mind without really knowing why. Yet God’s instruction is to fear not, for this must be!

“The Two-Horned Beast”

1. What evil force did the prophet see rising out of the earth, and what religious power will he emulate? Revelation 13:11-12
2. To gain the worship of the nations; what deceptive power will he use over them? Revelation 13:13-14
3. How shall he revive the Catholic System which has fallen down, during the third distress, with the showing of heavenly signs? Revelation 13:15
4. What great economic sanction will be used to force worship from the people? Revelation 13:16-17
5. What is the number of the last generation which shall also appear on one’s identification card? Revelation 13:18

“The Hour of Temptation Has Come” Part IV

The Almighty and Gracious Wisdom of God Most Holy, the mother of all the intended creations of God, unto her we give thanks, knowing that Jesus, our God, loves those that acknowledge and exalt her to the fullest. She has informed us of all things concerning our condition unto salvation. She drew up the plan to save us all and she walks us through every snare and trap that the dragon has set for us. Amen! Glory and praise be to our Heavenly Mother forever and ever!

Dear Friend and saint of the Lord, we will ask Mother Wisdom to guide us through the scriptures and help us to see and understand the condition and state of our world at this moment in time. First, we examine Ecclesiastes 3:1: *“To everything there is a season, and a time to every purpose under the heaven.”* We notice the word *“time”* and a time to every purpose. Yet compare this with II Timothy 3:1 that quotes, *“This know also, that in the last days perilous times shall come.”* Here will notice the word *“times”* rather than *“time”*. Mother Wisdom causes us to understand that many different times recorded in the Ancient of Days’ “Book of Times” for activation of certain events, shall be simultaneous in their actions. St. Timothy warned us that when we can see the activation of all these eventful times, we have surely reached the last days (II Timothy 3:1-7).

“Time and Times”

1. The Hour of Temptation Revelation 3:10
2. The Harvest of Time Matthew 13:30
3. The Time of Deliverance Daniel 12:1
4. The Time of Executive Judgment Revelation 14:7
5. The Time of Ten Year Tribulation Revelation 2:10
6. The time of the Rise of the Two-Horned Beast Revelation 13:11
7. The Time of the Departing from the Faith I Timothy 4:1
8. The Time of the Release of Seducing Spirits I Timothy 4:1, Revelation 18:1-2
9. The Time of **“Lies and Hypocrisy”** carried out by the Two-Horned Beast I Timothy 4:1-2
10. The Time of the Searing of the Conscience I Timothy 4:2

***Note** – The Wisdom of God wants it made clear that this cascade of times were simultaneously brought about. in a cluster of times and events, they will collectively make up the “Hour of Temptation.” In addition, from the beginning of time the Wisdom of God has hedged all men from this hour – both good and evil, however, God has elected to remove this hedge from man and has put it into the heart of the beast to separate his seed by the searing. Please remember this searing has no power against them that keep the commandments of God and the testimonies of Jesus Christ. Rampart Watch! Look for the “Time of Persecution” prophesied by Zerubbabel to surface during this time of trouble.

“The Hour of Temptation Has Come” Part V

Dear Friend, the Lord is our God, and he will never leave his children, regardless of condition or trial. However, during the “Hour of Temptation” the Lord will no longer hedge the unjust or the unrighteous. It is the purpose of God to allow them to be seared by their father, the dragon, and at the dark day, God shall decree this sealing to be permanent. Now as the saints of God, whom were the intended creations of the Wisdom of God, and those that have a soul created for them; in the secret place of God before the foundation of the world, I leave you with this word: Revelation 2:4-5 ***“Nevertheless I have somewhat against thee, because thou has left thy first love. Remember therefore from whence thou art fallen, and repent, and do the first works; or else I will come unto thee quickly, and will remove thy candlestick out of this place, except thou repent.”*** In that repentance is a personal issue between a person and their God; we cannot instruct or counsel anyone on this matter. It is our duty to encourage one to ***“return unto their first love.”***

5. Give an example of the process, which will lead the prodigal son back home. Luke 15:17-18
6. As we notice the next step in the process back to the good graces of God, who will speak with us, setting straight all things in our lives? Isaiah 1:18
7. Unlike the judgment set forth by the ancient men of the church, what punishment is laid out by God towards the repenting saints? Explain. Luke 15:22-23
