

The Measurement and Division of Time

History of the Nations In the Light of Divine Prophecy (with References)

"We hold the bible to be true; the King James Version of both the Bible and the Apocrypha, is the pure Word of God; left for us as his guidance for man. Under this section, we will use the encyclopedia as evidence of the prophecies mentioned in the Bible; as proof that historical events that mark time have come to pass. If any statement mentioned in the encyclopedia conflicts with or contradicts the bible; we then hold and stand by the Kings James version of the Holy Bible to be true without question." HOZ

A Chronology of Time History and Prophecy to Heralding News

We have some knowledge of the seven kings of death under the symbol of the great Red Dragon. The power of death in the body of the dragon worked against God and man to destroy all living substance. God has given us great knowledge on this spirit force without body or form of its own that used the the celestial body of fallen angels. This force (antimatter) mentally effected the fallen angels to the point that they peddled the merchandise of death throughout the kingdom of God

To know the fullness of the effect of the dragon kingdom on the saints it is well that we take this under study later on in the measurement of time. Satan brought goods to heaven that would change, pervert and corrupt angels and the knowledge of mankind. As mentioned in Ezekiel 28th chapter, the knowledge of evil, satan, desata and others were put out of the mountain of God. Satan joined the kingdom of death and was forced to establish his own kingdom. Satan was tricked to become an ambassador of evil, "a flunky" to carry death throughout heaven and earth and make things ready for the death and the forces of evil to spring its trap upon man once they entered into earth. As we know the Wisdom of God had written (recorded) the Devils life in advance history, from the beginning to the end. It was already agreed concerning the total destruction of the power of death by allowing 6000 years for man to populate the earth, and the seven thousandth year for death. So the Earth was given to the beast (death) until all was fulfilled Rev.17:17. The earth became a sanctuary for death, Rev.12:9-13; and Rev.17:1-3. In earth the kinds of death divided all things in earth between themselves, and this included land, water, wind, fire and time, all under the symbol of the great red dragon.

Each head of the dragon kingdom and the history of the dragons rule have different limits of time in its time zone. Now the time zone of the bear was a long time from the Garden of Eden to the Flood of Noah.

[Click here](#) to explore the characteristics of mankind during the time zone of the Bear.

The time zone of the Lion lasted from the Flood of Noah until Israel was delivered from Babylon. At the decree of Cyrus, when Israel was delivered from Babylon to the time of Christ, which lasted 490 years was , which included many wars against the church and the nation of Israel for three (3) years from these heads. The Vulture brought about the uncleanness to the house of God, time zone divided by the Wolf and the Vulture. The Vulture time zone lasted through the Macabbee period [Daniel 11:31-32](#). The serpent time zone was the time period from Christ to the Heavenly Judgment (1969) when the dragon was cast into the bottomless pit. This was the time of the Pharisees, who were called "a generation of vipers" serpents, children of the devil. The next time zone was controlled by the Dog, the mad dog. The dog had great wrath because he had a short time to cast virtue and morals to the ground as seen by the prophet in a vision of 12/9/70. In this time zone sodomite sin and all manner of filth and uncleanness was in man. The last time zone will be represented by the frog which lasts to 6066.

These divisions of earth- time started at the fall of Adam. Some of the time and zones were long and some were short. No day, hour or year can be given on the rise and fall on the rulers of the kingdom of darkness rule over the earth. But certain characteristics of the Dragon and its kings can be seen in the behavior of that nation. The history of the Dragons rule over the nations using seven heads or kings of the dragon kingdom correspond to the seven heads of the beast of the sea, [Rev 13-2-4](#). The people, land and sea were divided into seven (7) zones under the symbol of the great red dragon. Each nation in its respective zone you can see characteristics of the devil in them.

Most of the nations mentioned below have some of the symbols and a national emblem of their country as with USA and the eagle, a bird of prey, from the vulture family. The red dragon is the unseen king over all these divisions of these countries. The beast of the sea seen in Rev. Chapter 1-3 are the nations of the earth controlled by the dragon... Today This Red dragon has been moved out of the way for the appearance of the two-horned beast of [Rev 13 v11](#). This event was prophesied to come by James T. Webb, prophet of the Most High God, surnamed Zerubbabel, during the early 1970s. Thus, I stand before God this day and proclaim before God and by God unto his saints, that the two-horned beast (prophesied by Zerubbabel) is now the leading force of evil on earth (USA)! It brings with it the forces of hell and heaviness. It is here to take over the world's religious system and the governments of all earth. It will quickly cause the promotion of all that God hates " including sodomite sin."

Please Understand:

Zerubbabel fully explained to us that the two-horned beast of [Rev 13 v11](#) was the United States of America in prophecy. The body of the beast represents the U.S. Government. It emerged from the ground due to its formation from several nationalities of invading immigrants from other nations across the world. The two horns on the beast's head represent the two dominant religious powers, which rule, and dictate to the consciences of the invading immigrants; namely the Catholic Church and the Protestant Churches. Now as this force from hell under the symbol of the two-horned beast emerges, it will become connected to the U.S. Government and the two church bodies, and shall bend them to the will of the Knowledge of Evil. Brother Webb saw them (the two-horned beast of [Rev 13 v11](#) and the Knowledge of Evil seen in [Rev 17v1-3](#)) in an act of fornication. From this act of fornication came forth the "Anti-Christ", also known as the "Man of Sin" ([2 Thess 2 v9-12](#)). As this hell bound force of power emerges from beneath, it brings with it a force of heaviness, which sears the consciences of all that are not of God; St. Timothy referred to these as "seducing spirits". The two-horned beast is here to destroy human civilization by turning them against righteousness and God. It brings with it seducing spirits, such as the "sodomite spirit", whose contemporary name is "Gay Rights" ([1 Tim 4 v1-2](#); [2 Tim 3 v1-7](#); [Gen 18 v20-33](#); [Gen 19 v1-13](#); [Lev 18 v22](#))! Your Attention Please: The prophetic scales of time covers centuries of time and history from the cross of Christ to the consumation of all things in this life. 2300 years from the cross of Christ to the final destruction of all things this side of life. That is the consumation of all material things of life will mark the end of the 2300 year period stretching from the cross of Christ. Let us make it clear there will be no more time this side of the grave from this date... WE DO NOT KNOW THE DAY OR HOUR OF THE COMING OF CHRIST TO THE RESURRECTION... THAT TIME IS KNOWN ONLY TO GOD...It will not be given to any man to know that time. I repeat.

This Chronology of Jesus depicts the attempt to establish a historical chronology for the events of the life of Jesus depicted in his gospels. Certain events in the chronology of Jesus as described in the Gospels can be cross-referenced to Jewish festivals, and to the tenure of historical Roman rulers. When correlated with external secular sources, the accounts of the gospels are described in the following outline:

- **Jesus was born either before 4 BC (when Herod the Great died)**
- **Jesus was baptized by John the Baptist during John's ministry, according to [Luke 3:1-2](#)**
- **Jesus' ministry lasted three years according to the Gospel of John**

- Jesus was executed by Pontius Pilate, the governor (when Pilate was appointed as governor) and 36 AD (when Pilate was removed.)
- Jesus rose from the dead following his crucifixion.

The New Covenant

Household of Israel Tabernacle of David "Shalom Family Altar"

A biblical covenant is an agreement found in the Bible "between God and his people in which God makes certain promises and requires certain behavior from his people in return. The stipulations of the New Covenant are the commandments of God and the testimonies of Jesus Christ.

God will make a new covenant with the Household of Israel, Acts 15:14-16. A covenant is a binding agreement between God and his chosen people, Israel. There are only two covenants; the Old Covenant and the New Covenant; the Gospel Dispensation was not a covenant, but a time period set aside to bring all gentiles (any nation that is not Israel) into salvation. After the Gospel, which is the time period in which we are now in, is the beginning of the New Covenant, Romans 11:25-27.

What is a Prophet and The Spirit of Zerrubabel

Let us discuss this subject so that we can understand that he (the prophet) plays such a major role in the lives of every anointed member of the Household of Israel, Tabernacle of David-Shalom Family Altar. First let's look at how one becomes a prophet as seen in Numbers 12:6 as it quotes,

"And he said, hear now my words: if there be a prophet among you, I the Lord will make myself known unto him in a vision, and will speak unto him in a dream."

As we see, this is done by God alone. Therefore we must note that:

1. You cannot *inherit* it, *desire* or *pray* your way into it, nor be *appointed* to the black robe, and
2. His appointment is for the *edification* of the church "not to establish *"upper status"* for any man or woman.

Before we continue, let us establish the following fact: all of the prophet's works and teachings will, and must agree with the

commandments and testimonies. Isaiah 8:20 quotes, **"To the law and to the testimony: if they speak not according to this word, it is because there is no light in them."** Therefore, if at any time he speaks not according to this word, he is not a prophet of GOD!!! It does not matter what type of dream one had. 1John 4:1 quotes, **"Beloved, believe not every spirit, but try the spirits whether they are of God: because many false prophets are gone out into the world."** The testimony of Jesus is the spirit. Revelation 19:10 quotes, **"And I fell at his feet to worship him. And he said unto me, see thou do it not: I am thy fellow servant, and of thy brethren that have the testimony of Jesus: worship God: for the testimony of Jesus is the spirit of prophecy." under the Spirit of Zerubbabel.**

Zechariah 4v6: **“Then he answered and spake unto me, saying, This is the word of the Lord unto Zerubbabel, saying not by might, nor by power, But by my spirit, saith the Lord of hosts:”**

Zechariah 4v 9: **“The hands of Zerubbabel have laid the foundation of this house; his hands shall also finish it; and thou shalt know that the Lord of host hath sent me unto you.”**
