

“THEIR SINS HAVE REACHED HEAVEN” #6

TOPIC: FROM INSURRECTION to INSURRECTION

Insurrection: A violent uprising against an authority or Government

At this time, we do hold that it is the will of our God, that the world be given the understanding that by '**THEIR**' choice of sin unto abomination as in, (Rev. 18:1-3), '**THEIR**', (meaning the whole world), has joined in the continuance of **the first insurrection** which took place in heaven, (Rev. 12:7-9)! As seen here, the dragon kingdom began **the first insurrection in heaven, (in the temple of God)!!!**, directly against **the Wisdom of God!!!** They lost their battle while being kicked out into the earth.

Note: We wish this point to be made clear: After the war, our God could have banished them all back into the forbidden zone from which their rebellion began, (Ezekiel 28:15-18), but that would have left them all in the eternal cycle. Thus, Mother Wisdom, inserted a pocket of time out of eternity into the earth, (6,000 years!!!). By which God's judgement may be called upon to deliver the saints, (Lord deliver us from all evil), and from the power of death obtained by evil in the forbidden zone. This interval of time, chosen by our God, is called a TIME OF WAR!!! Amen.

In that the Lord placed divine prophecy on the head of the United States Government, (Rev.13:11), We do hold that the U.S. Government has been marked and chosen for the second insurrection by evil!! which did occur on 01/06/2021, by which also shall our God use as a proclamation of war against evil on that very same date, and to commence eternal judgment for entering the minds of the saints: GOD's own and private temple!, created to house his *righteous seven spirit's called the testimony of Jesus*,(Rev. 12:17).

It is this proclamation of time, which brings fear to evil's kingdom. Now, the dragon is forced to fight again against a foe that they know they **cannot** defeat!!!, but the power of death found within the antimatter which they chose to use against God-- in their first rebellion against righteousness, and **the first insurrection**, has become their master and keeper, (James 2:19; Matt. 8:29). **The use of this unholy power of death by evil against Mother Wisdom's innocent children, (mankind), and against their God 'infuriates the full throne of God and all the seven universes of righteous beings'!!!** For again, they have entered the temple of the Lord with

unrighteous rebellion, (I Cor.3:16). The United States, the most powerful and influential nation on earth, being guided by the two horned beast has opened its doors to the sodomite sea, (**Rev.12:13-16**); and also has chosen to change its laws of morality, which protected the nation from damnable spirits, (Rev. 18:1-3; Dan. 7:21, 25). Thus, this government has evolved into the evil work of protectionism and furtherance of the knowledge and kingdom of evil; (Rev. 17:17).

By the light of our doctrine found in, (Isaiah 8:20), we do hold that God's spiritual war to accomplish the ***consummation of all things, has been activated by God. With that activation comes a proclamation of war as in (Ecclesiastes 3:8... "A TIME of WAR!!!"***

WELCOME, *INDEED*, TO THE TIME OF TROUBLE (Dan. 12:1)!!!

All praise's goes to the full throne of God, forever! Amen

HOZ, and all those whom stand with HOZ
