

DELIVERED BY THE TESTIMONIES OF JESUS!

IMPUTATION OF RIGHTEOUSNESS! Part 1

The process of the **Imputation of Righteousness** is done by the power of faith, empowered by the demonstration of works, which we prove and satisfy God, while declaring our total trust in him; (**Acts 3:19**).

Dear HOZ and those that stand with HOZ: We do hold that God would now have us to understand the process of his **Imputation of Righteousness** into the human soul. Imputation has a positive and a negative connotation. First, let us consider the meaning of Impute in order to understand what exactly Mother Wisdom is revealing to us at this time.

Impute: to credit or ascribe (something) to a person, cause, etc.; an attribute. Also, to lay the responsibility or blame for (something) often falsely or unjustly.

A Positive Imputation refers to the concept that upon "**Repentance**" and "**Belief**" in Christ, in individual is declared righteous by God. Your first step in receiving **Righteous Imputation** or **Positive Imputation** is through repentance. "**It**" is a quality or a characteristic attributed or assigned to a person. **Positive Imputation** is a **spiritual credit** that is granted by God for good works. It refers to the concept that upon repentance and belief in Christ an individual is (**innately or internally, from within**) declared righteous by God. Again, we repeat that you receive **Righteous Imputation** through repentance. It is merit based according to God's approval of a person's character or behavior. As is our example given of Abraham. Discussed later in our letter.

Negative imputation: It is the act of attributing a fault, crime, or negative characteristic to someone. A charge or claim that a person may have done something undesirable. It is also seen as a condemnation.

Our example of a negative imputation is how the dragon came and went through or beguiled the ancient man and through lies and controversy imputed ungodliness in the church. Through this deception, those in the leaderships by way of ungodliness, were able to change the thought patterns of the saints and twisted their way of thinking so that they

IMPUTATION OF RIGHTEOUSNESS PART 1

were deceived in ungodliness. But our God will remove the ungodliness which will also remove the unrighteous imputation that is in their minds.

We see this as a major step towards the deliverance from evil, which we all **seek and thirst** for; (**Rom. 4:6-8; also Rom. 4:22-24**).

With these words the Lord let's us know that if one pursues righteousness with his whole heart and mind, then righteousness shall at the **appointed time** be imputed! (**Rom. 4:21-24**).

Here we notice, through the example given by the story concerning Abraham, (**Gal. 3:6; James 2:23**), how God imputed righteousness because of his faith. This process shall be poured out upon our minds as a refreshing rain as we interact with Christ in the **Upper Room!**

Therefore, we declare that the **Imputation of Righteousness** is a promised event, with an appointed time set to send forth these spiritual rains. (**Eccl 3:1**)

"To everything there is a season, and a time to every purpose under the Heaven:"

"Ask ye of the Lord rain in the time of the latter rain..." Here is the appointed time, as mentioned in Zechariah 10:1.

We are made to understand that a promise has been made by God, **the imputation of the Righteousness of God!**

Matt. 5:6, says; "Blessed are they which do hunger and thirst after righteousness: for They shall be filled."

To fill means = to become an overwhelming presence within!

Righteousness = Reflecting God's holy character through obedience, Justice, integrity, and love!

These characteristics of God are what we refer to as the **Testimonies of Jesus**, and will be permanently bestowed upon the minds of the saints by way of the **Washing and the Reasoning!** A spiritual rain which is applied to that individual, a personal interaction with Christ the Lord, while in the **Upper Room Chamber** of the mind. This interaction with Christ in our mind sounds like a voice of many waters.

(Ez. 43:2-"...and his voice was like a noise of many waters: and the earth shined with his glory."); II Esdras 6:17,18; and Isa. 1:16-18).

HOZ, we are made to understand by the writings of the prophets, that we, as a designated church group, will obtain perfect righteousness by the will of God. For it is written,

“I began to commend them which stood so stiffly...” (2 Esdras 2:47).

Here is when the Prophet Esdras, by vision, saw the Lord himself, blessing HOZ and the returning saints of the **Tabernacle of David**, whose personal choice was to return to God was a prophesied condition called the **Valley of Decision!** They stood against and did cast down their own evil imaginations, while defeating the dragon’s ungodliness and spells of evil. (**Romans 11:26; Titus 2:12-14; 2Tim. 2:25,26**). Again, while in their everyday lives, they endured and kicked out the frogs and dog spirits issued forth everyday by the death kings. (**Rev. 12:3,4**).

These are they which attacked the saints by deception and lies, with an un-seen declaration of war within the minds of the saints; (**Rev. 12:17**). Also, this attack came during the most horrible and vilest of times called, **“the time of Trouble”** and the **“The Hour of Temptation”**; (**Dan. 12:1; Rev. 3:10; Rev.14:12**).

“Here is the patience of the saints: here are they that keep the commandments of God and have the faith of Jesus.)”

This is a horrible time period, in which God himself turned over the world he created to the beast of evil, as a challenge to the beast, that none could **Pluck** them out of his hand! (**Rev. 17:17; St. John 10:28**):

“And I give unto them eternal life, and they shall never perish, neither shall any man pluck them out of my hand.” Amen.

II Esdras 2:47: “So he answered and said unto me, it is the son of God whom they have Confessed in the world. Then began I greatly to commend them that stood so stiffly for the name of the Lord”). Amen!

I hope it is clearly understood by all, that HOZ and all those that stand with and HOZ, as well as the **Tabernacle of David** have fulfilled this prophecy, as seen by Zerubbabel and the prophets of old! The **VICTORY** is already written to be exclusively **WON**, as it is written by Mother Wisdom, herself, in the **PLANS OF SALVATION!** However; because of this attack we must **First Reconcile** to God in order for our sins and iniquities to **Be Reasoned Out!** (**Rev. 3:19,20**).

THE RAIN OF RECONCILIATION COMES FIRST!!!

Yes, HOZ and those that stand with HOZ, we now see another **Rain** of great spiritual power, which we, as well as the Tabernacle of David, must receive prior to the **Rain of Righteousness**, mentioned in the **SEVENTY WEEKS**, prophesied by Bro. James T. Webb. Please notice **Daniel 9:24**:

A three-step series of conditions all related to Repentance from Sin!

DELIVERED BY THE TESTIMONIES OF JESUS!
IMPUTATION OF RIGHTEOUSNESS PART 1

1. To finish the transgression;
2. To make an end of sin, and
3. To make reconciliation for iniquity!

When applying this to what we already have been made to understand regarding the **Reasoning**, we are directed to **Isaiah 1:16-18**; here the prophet Isaiah speaks of the same requirements of condition required during the seventy weeks. Thus, we see that these **three-step series of conditions** is initiated during **the Reasoning** with Christ in **the Upper Room Chamber**. We now understand is a **one-to-one** Interaction with our Lord, by which Mother Wisdom will **Wash and Make us Clean, by eliminating away all the evil of our doings, finish the transgression, and make an end of sins by making reconciliation** with Christ the Lord as he requested of us to **Come and Reason** with Him!

In that we understand and know that these times are called, **“The Time of the Latter Rain,”** we conclude that each event will both be done by a series of Divine but individual Rains, **(Zech. 10:1)!** Specified to each individuals needs! This will result in a **PERMANENT RAIN of RIGHTEOUSNESS**, as mentioned in the **SEVENTY WEEKS of Dan. 9:24**; which brings forth **immortality** and certainly will produce the initial **State of Adam, the First Man! Amen!**

It is our belief, that somewhere during this process of **Falling Rains, The Resurrection** of James T. Webb, will occur!!! We see his resurrection in this statement,

“...Shall the earth be made to bring forth in one day...” (Isa. 66:7,8)

This statement giving testament of him being resurrected and clothed in the seven spirits of God which rained upon his grave and caused a resurrection as prophesied by Daniel and Zachariah! We see the seven spirits of God, being represented by the seven eyes, mentioned here in the scripture and witnessed by **the wave-sheaf** when we see him after his resurrection. **(Zech. 4:10; and Rev. 5:6).**

Now, he will have in his hand, the **Golden Letter from Christ** which he promised to read to the Tabernacle of David Church himself at the end of his work, which is concluded by his hands, being HOZ:

A letter written by Christ on heavenly parchment with each letter of the Lord’s handwriting, impacted by each color of the rainbow. All raising off this parchment in a Divine mixture of the colors of the Testimonies of Jesus!

P.S.

In conclusion, at that time we will have experienced several issues of **Divine Rains** ourselves within the **Systems of Preparatory Promised Rains!** It is only then at the completion of these **Falling Rains** that we might be able to gaze upon and even touch this **Divine Parchment! (Zech. 4:10). Amen!!!**

All praises be to the Wisdom of God and Christ, our Lord and the full Throne of God
