

GREETINGS SAINT'S part 8

MEET GOD'S FAMILY

LADIES OF THE DEITY

Scripture: Job 38:7

Chapter: Proverbs 8:1-14

Memory Verse: St. John 7:16

Our faith lets us see that **Doctrine, Knowledge and Understanding** are maidens of the Wisdom of God: lady spirit powers of the Deity, whom were sent to the earth to set in motion **the Plans of Salvation** of which Mother Wisdom is the architect. Again, these ladies did come out of the Ancient of Days as Divine Spirits and characteristics of the father, thus taking their place in the perfect order of God, along side of Mother Wisdom. Notice this text, ***"I will make doctrine to shine as the morning, and will send forth Her light.."*** The word **"her"** introduces **Doctrine** as a lady spirit. Also it is said , ***"and will send forth her light."*** This statement gives testimony that the spiritual being called **Doctrine**, has the power to issue forth the **Light of God** when sent forth by the Wisdom of God. **St. John 1:5** reads, ***"and the light shineth in darkness; and the darkness comprehended it not."*** Both statements directs us to the **Power of the Deity** for only those of the Deity can control the Light. Lord Jesus makes it clear that the **Spirit of Doctrine** came forth not from him, but from his Father. As with all **Divine Spirits of the Deity**. We also see that **Doctrine** was the first of the Divine spirits of the Deity to be introduced to the **Tabernacle of David** for its setup! In **1973**, we met Brother Webb and family, a family that had been well schooled in the commandments and testimonies which is the foundation of **the New covenant**. Once **Doctrine** was accepted and held steadfast in our hearts, then Mother Wisdom would send us **Knowledge and Understanding** in a **Form of Rains**!

1. Mother Wisdom teaches us that the **Light of God** encompass all the **Majesty of Creation**, How is she compared to the **Light**? **Wisdom of Sol. (Apoc) 7:29**
2. With the understanding that **Doctrine** is the foundation of the New Covenant, In what manner is this significant Rain sent to us? **Eccl. (apoc) 24:33**
3. Being fully convinced through the **Spirit of Truth**, How is the **Manifestation of Doctrine** displayed on us the **Wave-sheaf Group**? **Joel 2:27,28**
4. What is the first step one must take to obtain knowledge? **Prov. 1:7**
5. Finally, with all that we have learned, What is the most conclusive and decisive statement made about these lady of the Deity? **Prov. 2:3-6**
