

THE LITTLE BOOK OF THE SEVEN SEALS! CLASS PART 9

Scripture: Isa. 53:11

Chapter: Rev.14:9-17

Memory Verse: St. John 17:24

The Prophet John, saw the great number of **saints in view of the Throne of God, standing on the Sea of Glass in Heaven. As Christ, our Mighty Redeemer**, looked upon the saint's waving palms and giving praises to our God, the Holy Lamb, then will he remember his suffering of death on the cross, as he looks on them. **He shall be satisfied! At this time the request of Christ is granted which he made in his prayer at the garden.** Here we find that **many promises made to the saints over the years will be fulfilled.** Now we will take a look at **the 144,000 saints and the twelve tribes of Israel. These saints get their resurrection and deliverance first!** Let's be clear on this point, **144,000 saints are 'only from the tribes of Israel and are alive and will be changed without seeing death'.** At some point during this great time of trouble, **there will be a deliverance of the Wavesheaf who the Lord will use to gather the 144,000 of which they are apart of.** Also, during this **Interval of Time or Event, the Whole House of Israel will be resurrected, some to everlasting life, and some to shame and everlasting contempt.** Here, **a mystery is revealed. All who die will be resurrected no exceptions.** There are **two orders or categories.** **Number one** is the **first Resurrection to Life**, this includes **all saints.** The next category is for the tares, **notice during Israel's Resurrection**, some to life and others to death. **The General Resurrection of Gentile Saints**, is an **event in time** where Christ catches the Man of Sin in his evil works towards the saints and kills him with his **Brightness!.** **All saints are part of the first resurrection.**
