

## THE LITTLE BOOK OF THE SEVEN SEALS CLASS PART 4

Scripture: Rev. 10:4

Chapter: Heb. 1

Memory Verse: Heb. 9:26

**The Fifth Seal** is removed from **the Little Book** and the chapter which concealed the **Mysteries of God**, under the **fifth seal**, and it is now opened to us. We wish it clear at this point, we are dealing with **Events**, having to do with mankind, in the finishing of all things of the earth. Now to pinpoint its opening, we need the **Signs or Events** that proves it! All of which must be found in the scriptures in connection with **the Little Book**! Therefore, a careful study of the scriptures with prayer is in order while the **Spirit of Truth** leads us. A question may come to one as to, "**What time the fifth seal was opened?**" It was told to John not to write or reveal those things he heard. Daniel had to close the book because it was **sealed till the time of the End! Dan. 12:9; and Rev. 10:5-11!** So, as soon as we reach **the Time of the End, the Seals** on this **Little Book** would be **removed!** Also, we found in our studies of **Treasures Hid in the Sand, The Gospel** was to be preached from the **Cross of Christ to the Time of the End!** Then we noticed, that Jesus would **cleanse our records with his Blood at the End of the World!** This leads us to the **Opening of the Fifth Seal**, where **No Proclamation or Announcement was given!** But before each of the **First Four**, it was said, "**come and See!**" The reason there is **no announcement before the Fifth Seal** is because the **Fifth Seal** opens up **the Hour of God's Judgement** and **No One, Not Angel or Man have ADVANCED KNOWLEDGE of this!** Just as Christ said, he would "**Come as a Thief!**" Under this seal, the **heavenly court is opened and the prayer of the saints are processed** in the smoke of the censer and offered up before God! At this point, our **records have already been cleansed by the Blood of Christ!**

2. Looking deeper into the **mystery of this Event**, **What** takes place before Christ appears in the presence of **the Ancient of Days? Heb. 9:23-26**
3. **Why** was million upon millions of people before the **Throne of God? Dan. 7:10**
4. **What** position did the devil take during these court proceedings? **Rev. 12:10**
5. After realizing that he (the devil), had nothing but false accusations against the saints, **What** position did they take and what was the outcome? **Rev. 12:7-9**
