Here Eternal Beings will be made from dust to dwell in total splendor. Keep in mind that **the horses** operate under the influence of his divine testimony. Coming forth from **the Body of Christ in Seven Miraculous Colors of the Rainbow**, blending together in **perfect harmony**! This divine blend of **Spirit Power**, fusing both uncontaminated water and gases together, creates other shades of color unknown to man! Webster on the word "**fusing**"...

Fuse: to make or become liquid by great heat, to melt, to unite as if by melting together or to blend.

Furthermore, from this creative blending he now produces diamonds and gold of incalculable beauty. Now all is ready for the construction of **New Jerusalem**. Now as a side note, this same material will be used in the creation of **Beulah Land**, a **City Brought Down to This Earth**! Where all the **saints of Israel will live for a thousand years**. Afterwards the City will be taken up to the **North side of Jerusalem!!!**
