## **“A Church at War” Part I**

God shall deliver you in two parts, first he shall deliver you from the seed of the serpent. In respect to the Tabernacle of David, the seed of the serpent are they who witnessed the saint’s response to the recall of Israel in the early seventies; and followed them to the wedding feast though they themselves; had no invitation to be there. This feast was prepared before the foundation of the world, by Mother Wisdom. As we have already learned, the knowledge of your birth was a pre-planned event. Therefore, at the recalling of the Tabernacle of David; there will be a homecoming feast for Israel. We want to make this point, that both good and evil attended the feast. Just as with Judas Iscariot, who the devil attempted to plant among the disciples, he also tried this same tactic with the recalling of Israel. The question of the day is: What is false righteousness? Answer: it is the keeping of the Ten Commandments; while disregarding the testimonies of Jesus. We often wondered why Christ referred to the doctrine of the Pharisees as righteousness. First God would have us take a quick look at the time of Moses. The Ten Commandments, plus the laws of ordinance were the laws and testimonies, in which they were to follow. First, we must remember that all things were only symbolic, until the coming of Christ. However, the laws and ordinances covered many issues, and gave people direct word on how to handle various issues in their lives. While Christ was on earth, he told them to go and follow the mosaic laws. But it was well understood by all, under the Gospel as well as under the new covenant, that Christ nailed the laws of ordinance to the cross, and gave us the real testimonies; spoken from his own mouth, which we know as the seven spirits of God.

## **“A Church at War” Part II**

We have come to the end of the battle, between the seed of the woman and the seven-headed dragon. The dragon in his last desperate attempt; sought to dismantle the doctrine of the church by removing the holy testimonies of Jesus from its belief. As we have covered before, Wisdom diverted the flood waters that were sent to drown the “Little Church.” The ancient men swallowed these waters, which matured them in evil and pride. They began to attack the church, by spreading fear and intimidation through ordinances that were not ordained by God. These people gained position of authority through demonstrations of false meekness and willingness to serve. Now the dragon will use them as attack dogs to create fear and controversy. The trick of the dragon was to have them get into your personal lives to know all of your faults and mistakes, and use these things against you. Therefore telling you, that you must follow their direct words, and if one fails to do this, they take their personal information and attack them, as if they are no good and evil. The purpose of the dragon is to separate the saints from the very power that will deliver their souls; which is the testimonies of Jesus Christ. Your help is in God, all you must do is call out to him and he will deliver, for in Mount Zion and Jerusalem shall deliverance be found.

## “A Church at War” Part III

The dragon seeks to devour the church, by dividing your doctrinal belief within you. He wants to kill the spirit child growing within you, by cutting off the life force in which the child needs to grow. This is truly the last ditch stand of the dragon, yet, all their hopes shall utterly fail. Soon they and the entire evil host shall fill the decree of the Lord. Now for the facts on how the dragon seeks to beguile the church by dividing the doctrine. Mother Wisdom would first have us examine Revelation 12:17. *“And the dragon was wrath with the woman, and went to make war with the remnant of her seed, which keep the commandments of God and have the testimony of Jesus.”* Webster on the word **keep**: to hold for future use. \*Note: the word **have**: to begat, to grasp, or hold mentally. The Wisdom of God wants us to understand that the Commandments of God are tools of instruction which demonstrate obedience. They prepare us to get ready, to hold us for the future use of God. As for the power of God, they are not spirits of power. They are earthbound instructions and God will have no need of them in his kingdom. In heaven, there is no stealing and no need for the Sabbath Day, for we will always be in the presence of God. I hope this point is very clear to all, now we want to make another point, since the commandments are earthbound; all men on the earth have the ability to keep them. The same cannot be said of the testimonies, for they are the seven spirits of God, sent down from heaven. You need a soul, which is your receptor in order to receive this.

## “The Divided Doctrine”

1. What was Jesus’ answer to the question pertaining to eternal life? Matthew 19:16-17
2. What further details let us know that Jesus was speaking of the Ten Commandments? Matthew 19:18-19
3. In the story of the young rich man, he stated that he had kept the commandments from his youth. Why was he saddened by Jesus’ response to him? Matthew 19:21-22 \*Note: As you can see, this man had no trouble keeping the commandments, but the testimonies would have him share all of his riches.
4. What is the key component that links man into the heavenly family? Revelation 19:10
5. What is said of our connection to both the commandments and testimonies? Revelation 12:17  
Compare Revelation 12:17 to what the angel said to John about his connection to the testimonies. Rev 19:10  
\*Note: Both have the testimonies of Jesus; also no mention of the commandments by the angel because is needed due to no sin present.

## **“A Church at War” Part IV**

We need to understand that it was the dragon; that placed the Pharisees in the church of God. These are they which seek to divide the doctrine of Christ, by their false claims that they keep the commandments of God. Yet, as their father's before them, they reject the testimonies of Christ. Thus said the Lord; those who exalt themselves in the Tabernacle of David, and judge others without mercy; shall now be brought down, and made to realize that judgment belongs to God and God alone. These people look upon the saints of God, as beneath them and will attack without mercy whenever, their authority is challenged. So we say, if any of you now or have ever attended the Household of Israel, Tabernacle of David, Shalom Family Altar, please ask God for understanding of these issues. He will hear your prayer now, more than ever, he has opened the Book of Times and Events, and because of the idolatry that is being forced on the true church of the new covenant, the Ancient of Days has shortened the allotted time of your suffering. We understand that if these days were not shortened, no flesh would be saved. The evil counseling system that was set up, to get all of your personal information, that the dragon used to intimidate and rend you, shall be brought to a screeching halt. This is a war, and though they have already lost, they are much too evil and stupid to give up the battle. Thus, we say unto all at this point, let no man or demon take your crown.
