“Begin At My Sanctuary” Part I

This is a letter of judgment, unto the ancient men of the Household of Israel, Tabernacle of David, Shalom Family Altar; why did you break your word when you declared; before God that you would never again pronounce yourself to be something that you are not! Brother Webb warned you, that you were not a prophet. Before God, you asked for forgiveness, but having a hidden desire to be something that you are not; you again set policies in the Lord’s church; which he did not sanction. By spreading false doctrine; (which is a denial to keep the testimonies of Jesus); you have caused much pain and suffering, even to the destruction of families. Many children too young to decipher between truth and lies, were turned into the streets and left alone; to spiritually die without the righteous guidance of their parents, who had vowed to keep the laws and testimonies. These children were anointed with the profession of the faith of their parents. It was well understood; that they would need their parents, yet, because of foolish pride, and selfish need for glory and control, you caused their parents to turn their back on them. Your own tongue admitted, and your hands wrote; that you have not the power to reprove or rebuke anyone. Yet, you are more than guilty of this same act, again! Why did you not call upon the servants, unto whom was given the spirit of prophecy, to assist you, before committing yourself to an abominable lie; falsely explaining Brother Webb’s death. You wrote to the church, and said the elders were set up, by God and would never be changed again. Who are thou, O ancient men, that thy judgment cannot be questioned? Do you see yourself on the same level as God? ***“Thou shalt never set foot into the kingdom of God! Here ye this! I have already chosen thy replacement; he sitteth in my congregation awaiting the judgment of the Lord. Soon my angels shall come, and thee, and all that is thine, shall be forever blotted out of the “Book of the Living” (Psalms 69:28 and Ezekiel 9:6. Run, old ancient men, and see if thou can hide from the judgment of the Lord. “***

“Begin At My Sanctuary” Part II

It is by permission of the Wisdom of God, and not by commandment; that we write unto the ancient men of the Household of Israel, Tabernacle of David, Shalom Family Altar.

To you we state: We’ve been washed in the blood of the Lamb, we’ve been washed with the word of God, our reasoning with Christ has taken place. The testimonies of Jesus have been activated within us, and God has called us to write unto the church. Mother Wisdom, the mother of all creation, has guided us through all of these things. She has sent Michael, the deliverer and commanded him to walk with us. He has transferred unto us, the boldness of Moses, the skill of Daniel, the compassion of Aaron, and the skill of Elijah; that we might not fear, the wrath of the dragon, and that we would have confidence in the purpose of the Lord. This purpose is to remove ungodliness from Jacob, which has become spiritually unacceptable before God. You have by wicked counsel and intimidation, redirected the church, this is blasphemy against the Holy Spirit. We request before God, that you immediately resign from the leadership of this church. In conclusion, we say that we wish the harm of no man or woman; however, we are and will forever be the fearful servants of the Lord God of Israel.
