Christ the Lamb of God “Book of Souls” Part I

Let not his saints be troubled; nor let them fear in their hearts. For their God shall save every one of them. None shall be lost to the dragon and the devil. This is the eternal promise sealed in the blood of God. Wisdom wants us to understand something in these last hours of earth's time. She wants to make clear to us that we are the seed of Christ and we cannot lose. Christ and Wisdom made sure of this fact in the plans of salvation. The blueprint of this plan was set to writing in a book and placed in a secret tabernacle in heaven. Its existence and whereabouts were kept secret, known only unto the deity or Godheads.

Our Mother Wisdom would have us to be very clear on this fact. In the book of names are the names of the souls created by the word of God in creation. Now each soul must wait for the appointed time of birth given to it. For each soul must be joined with a body and spirit to be complete, then it can live. It is written the soul that sins must die, but the Lord was kind and merciful and ordered Moses to create a system called the Levitical Priesthood. This system and its blood sacrifice could hold sin in check but it could not remove sin from the books contained in the secret tabernacle. It would take the blood of God to do that! So, the stage was set for the coming of Christ the Lamb of God who in the end of the world would save these souls by the sacrifice of himself.

Christ the Lamb of God “Book of Souls” Part II

James T. Webb, Prophet of the Most High God was also a pre-planned event which was foretold to John the Revelator and recorded in the book of Revelations over two thousand years prior to its' activation. (Rev.14:6-7). Notice how God reveals a prophetic assignment to his chosen servant. (Rev. 1:1) Here is the order by which our God does his work. The word is given by God to the angel, the angel brings this word to earth and delivers it to the prophet and the prophet carries out the order of the Lord. Now “James T. Webb” was ordered of God to write some booklets concerning the salvation of the saints of God as well as, the judgment of all earth. He was ordered to send these booklets to all over the world, its governments and main religious institutions. This work was completed in the late 1950's. The prophet Webb stated that he would rather face death at the hands of God, than write one word that would cause one to fail in the judgment of God. We also understand perfectly what this means, and do so honor this pledge.

Now the works of James T. Webb were under the color code of red and green, red for judgment and green for life. This was seen under the symbol of a whirlwind. It attracted both the attention and hatred of the dragon kingdom, which we nicknamed ‘Devildome’ (Rev.12:9-10, 12:17).

“Book of Times”

6. Speaking of the Book of Time; what did the devils say to Jesus, proving they had knowledge of this book? Matthew 8:28-29

Christ the Lamb of God “Book of Souls” Part III

Wisdom would have us examine (Matthew 7:23), “And then will I profess unto them, I never knew you” Please compare this statement to what was said to the prophet Jeremiah (Jeremiah 1:5). Before I formed thee in the belly I knew thee: God stated that he knew this prophet before he was born indicating a preplanned birth.

Devil dome having lost the war against God in heaven, and being kicked out into the earth as in Rev. 12:7-9. He was present in the garden when God created man and overheard God tell man to be fruitful and multiply. He saw this as a golden opportunity to return to heaven and resume the war against God. It was never a secret that God intended to eventually adopt man into the heavenly family, all the angels knew this. (Matthew 25:34) Please notice (Genesis 1:26 and Genesis 3:22), the word us means the entire deity was on hand for man’s creation, The Father, The Son, whom is Christ our God, The Holy Spirit, and the Most Gracious Wisdom of God the true mother of all creation. Back to the garden, by manipulation of Adam’s reproductive system given him of God, he would out number God’s children and attack them through his hybrids.

Now the hybrids of the devil will be pushed by the kingdom of devil dome to the top of all industry, government, and religious institutions. Their job is to attack and burden the saints from all angles, any saint in high position. They will attack as with Daniel in the kingdom of the Babylonian government.

“I Never Knew You”

1. Who is responsible for bringing the hybrids into the world? (Matthew 13:38-39)
2. At the Day of Judgment, what is the cry coming from Devil dome’s hybrids? (Matthew 7:21-22)
***Note:** The devil could plant his seed in the churches or other religious institutions without fear of conversion, because he knew that they had no spiritual relationship with God.
3. What devastating answer did Christ give, to those not written in the book of life? (Matthew 7:23)
***Note:** I never knew you, means at no time, not ever, not at all, in no case, and under no conditions
4. What description is given; that lets us know if we have a personal relationship with God? (1 John 2:3-4)
5. What further identification is seen in the seed of the saints? (Revelation 12:17)

Christ the Lamb of God “Book of Souls” Part IV

The devil went into this darkness we call antimatter while still an angel of light. He thought that because God had created him perfectly as in (Ezekiel 28:11-18) this gave him the ability to handle the darkness. God had also given him trafficking authority, meaning that he could travel anywhere within God’s Kingdom. The darkness overcame him as with others before him and the dragon’s kingdom was born. The woman called the Great Whore, the Knowledge of Evil, made Satan their ambassador of evil. His job was to travel the world imputing evil and tempting the righteous into every situation he could, while manipulating his hybrids into warring against God’s children (Ephesians 2:2, Job 1:7). Satan managed to maneuver his hybrid children into high positions in both the religious systems and the governments of the earth; for the purpose of setting up false religious systems to trap the children of God into idolatry, which is worship of the dragon’s kingdom. (Wisdom of Solomon 14:16). The stupidity of the dragon’s kingdom was never as much in evidence as; when they ordered their hybrids to demand the death of Jesus Christ. After the resurrection, Christ placed the body in its proper place to await the atonement; he sat down on the right side of his father to await the judgment hour.

The devil is now in a panic, and begins to persecute the church of Christ. With no time to waste, he ordered Rome to initiate an all out attack against the faithful of Christ. They persecuted and killed in all manner of ways. Astonished by the power of faith, of the children of Christ, he sought to steal the worship by creating a false church, to mimic the true church of Christ. They assembled statues; that were to be bowed down to and worshipped as Gods. The devil through the false church; committed a great sin of blasphemy and idolatry; by ordering Mary to be named the Mother of Heaven. (An exultation that she would not have approved) He reinforced these sinful acts through the might of the Roman army; who killed or imprisoned all who refused to acknowledge this false system of religion.

“Hybrids Take Over the Earth”

1. How did Christ view the relationship between the saints and hybrids? Matthew 5:10-12
2. What further words did Christ give on both the persecution of the saints and the events that would be taking place? Matthew 24:9-11
*Note: Just as the persecution took place in the dark ages, these same events will happen again; starting in this country.
3. What did Daniel have to say concerning this false religious system? Daniel 7:25
4. As we view our fight for eternal life, who is our enemy and what is our protection? Ephesians 6:11-13
5. As we fight this war in the flesh, what advice is left to us concerning our help? II Corinthians 10:3-5

Christ the Lamb of God “Book of Souls” Part V

After the 1200 plus years of persecution, God gave the saints rest. The Catholic Church suffered divisional breaks within its ranks. Some of its members became disgruntled with the direction of the church. There was dissolution of power within, and some left and formed what is known in history as the Protestant Movement. Yet, idolatry and sin remained the focus of the church. The Holy Sabbath Day, which was unlawfully changed by the Catholic Church from the seventh day to the first day, was kept intact. However, the church did reemerge during World War II and reestablished its connection on the back of the strongest government on earth. First Rome, during ancient times and now the United States during modern times, the gospel dispensation is over, the new covenant is now in force. God sent a spirit which awakened the lost tribe of Israel, whom were run out of Jerusalem by the ancient armies of Rome, during the time of persecution. The everlasting gospel including the salvation and judgment has been sent to the earth. This judgment is seen in three stresses. The first distress is an unrestrained weather condition, which will strike, bringing havoc to all four corners of the earth. The second condition is an economic distress; the entire world is caught in a downward spiral of economic gloom. The third and final distress will affect the solar system with all manner of signs in the air, including dark days. At this time, the Catholic Church will receive its just rewards from God Almighty. Due to the three distresses activated by God worldwide, man shall experience a time of trouble, such as never was, since there was a nation. It is during this time, that God shall deliver the children of Israel, who were awakened at the end of the gospel dispensation.

3. Speaking of the saints that are persecuted for the word of God, what is said to them? Revelation 6:9-11

4. What winning characteristics describe the saints, and what makes them winners of the war? Revelation 14:12
5. After the gospel dispensation, how many of the Children of Israel will be saved? Romans 11:26-27, ref Revelation 7:4
6. After all of the pain and suffering endured in this battle, what is the end result of the new covenant? Revelation 14:3-5

Scripture: Romans 8:35-39

Memory Verse: Matthew 5:10

Christ the Lamb of God “Book of Souls” Part VI

Let us try to imagine that we are in the time during the man of sin's reign. Mankind has lost all love and respect for society and the law of the land is null and void. Hope for salvation is in shambles. The churches worldwide; are on fire due to the hatred from the lost souls. Money is no good and can buy nothing. They will create a duplicate of the first system of persecution initiated by the Roman Empire, during the dark ages. The system is called an image by John the Revelator. This image will take the place of the Catholic Church and will be much fiercer than the ancient Roman system. Instead of the Pope, this new image will be ruled by one who claims to be God Himself (The man of sin). Because of the judgment of God, in the form of three distresses, initially mentioned and because both hopelessness and fear grips the entire earth, they will be looking for anything they can believe in. Here comes the child of Devil Dome; backed by the United States government spewing effective propaganda to the rest of the world to lend their support to this new icon; which shall rebuild the world. His physical appearance will greatly resemble the iconic image pushed on the world by the Catholic Church. He will convince the world that their survival as a planet and a people will depend on total devotion to the system and to him as their leader. He will convince them that there is no room for unbelievers. Thus persecution shall start against anyone who rebuffs this new system.

“In the Arms of the Two Horned Beast, Persecution is Restored”

3. What similarities does this beast have with the first one? Revelation 13:12
4. What is said of the man of sins lying and deceiving methods? Revelation 13:13-15
*Note: Demon forces will use their anti-matter bodies made from negative electrical charges; to make friction in the skies, which will look like fire coming down from heaven, in the sight of men.
5. How must one show his devotion to this system, by what means will they boycott the saints? Revelation 13:16-17
6. As we take into account all of the things that the dragon's kingdom has done or will do, what words in the plans of salvation lets us know that; God was, is, and will always be in control? Revelation 17:17
