

GREETINGS SAINTS!

Date:

Chapter: Hebrews 9:11-14

Scripture: Ecclesiastes 3:1-3

Memory Verse: St. John 6:39

Youth Class: Christ, the Lamb of God's Book of Souls

This lesson will show us a remarkable thing of who we, as saints, really are. It will answer the questions that we have often had at one time or another in our lives – especially sometimes when things go very bad for us and we feel frustrated, sad, and even like a “motherless child”. The questions are simply: 1) “Why am I here?” 2) “Why was I ever even born?” and 3) “What is my purpose on this earth?” In this class not only do we get the answers to these questions, but we also will be given to understand our origin; not back to Africa or what other place of geography we're reported to be from, or even from Israel where we know that we began, but our *true* origins. But as always, let us begin by gathering our tools – the following word definitions.

1. BLUEPRINT	7. FULLFILL	13. ORIGIN	19. SANCTIFIED
2. BOAST	8. HYBRIDS	14. PLAN	20. SECRET
3. CONCEIVED	9. MEMBERS	15. PREDESTINED	21. SEED
4. DEITY	10. NECTARINE	16. PROFESS	22. SPIRIT
5. ETERNAL	11. OFFSPRING	17. REVEAL	23. SUBSTANCE
6. EXISTENCE	12. ORDAINED	18. SALVATION	24. TABERNACLE

PART I: S-h-h-h! Secrets of God: Now Revealed to his Saints

From the title directly above we see that it seems that our God did have secrets. So first we ask:

1. Who did God tell this fact to and what did he tell him he would do with them? Daniel 2:22

2. Even when King Nebuchadnezzar had a dream, to whom did God reveal it to and what did God say about the dream? Daniel 2:27-28

[Note: Now we know when we have a dream, no one knows what it was, for it is your own secret, unless you tell it to someone else; and even then it will be hard to understand what it means, unless God reveals the meaning.]

3. How long has God kept his secrets? Matthew 13:35

4. We can see that God truly has kept these secrets for a long, long time, but when are they no longer secrets and who do they then belong to? Deuteronomy 29:29

PART II: THE SAINTS' TRUE ORIGIN

Let not us, God's saints be troubled; nor let us fear in our hearts, for our God shall save every one of us. None shall be lost to the dragon and the devil. This is the eternal promise of God. Wisdom, our heavenly mother, wants us to understand something in these last hours of earth's time. She wants to make it clear to us that we are the *seed* of Christ and we **cannot** lose. Christ and Wisdom made sure of this fact in the "plans of salvation". The **blueprint** of this plan was set to writing in a "book" and placed in a secret tabernacle in heaven. Its existence and whereabouts were kept secret, known only unto the deity or Godheads. Our Mother, Wisdom, would have us to be very clear on the following fact, which is: during creation, the names of the souls created by the Word of God were placed in the "**Book of Names**" within the secret place. Then each soul had to wait for his/her appointed "time of birth", or simply, until your birthday, which is when you were born. At that time **two** other things were added to the soul.

1. So, to be complete and live there must be a: [please check correct answer(s)]

- A. ___ Soul and spirit
- B. ___ Body and soul
- C. ___ Soul, body and spirit

2. The first soul on earth's name was Adam; please put in order the process of his birthday. Genesis 2:7

___ Spirit ___ Soul ___ Body

3. What was the name of the second soul on earth? Genesis 3:20 _____

[Note: Both souls made by the Godheads looked like them (Genesis 1:26). Also, we see here that Adam gave his wife her name. Now the name that you are given from your earthly parents when you are born is different from the name of your soul's name that Christ himself will give you as in Isaiah 62:2, last part and Revelation 2:17, last part.]

PART III: ...CLUES OF A BOOK

All of this information sounds really great and amazing, but is it really a book that was written in by God? Is this true or proven by the word of God in the scriptures? If it cannot be shown to us in the scriptures within the Bible, then we have to wonder if it's true or not. So, for understanding, we begin our search.

4. What does King David say to God on how he was made even before his birthday? Psalms 139:15-16

- a. I was made in _____
- b. His members (body parts) were written in _____
- c. Even before his members were _____ as yet there was _____

5. God told Daniel that the Archangel, Michael, would stand up in a time of trouble to deliver: Daniel 12:1
- a. ___ All his people
 - b. ___ Those found written in the book
 - c. ___ Only those who were good

[Note: We see that there truly was a "Book of Names" that God himself wrote and we shall even see further that God even shared with one's parents what the soul he would send to them to care for would be like, look like, even what he would become, etc.]

6. God told Jeremiah that: Jeremiah 1:5-8
- a. Before he formed him in the belly he did not know him: ___ True ___ False
 - b. He was sanctified to become a: ___ King ___ Shepherd ___ Prophet ___ A great scribe
 - c. He was only a child so: ___ Don't go unto the nations ___ Do not speak ___ Don't be afraid of the people's faces

7. Zacharias and Elizabeth (Mary's cousin) was told by the angel of the Lord that: Luke 1:13-16

- a. They would have a son and they had to name him: ___ Simeon ___ Peter ___ John
- b. He would be _____ in the sight of the Lord, filled with _____; and with his birth, many of the children of Israel would he _____.
- c. He would not drink: ___ Well water ___ Wine ___ Strong drink

[Note: Various details of John's life were revealed to his parents even before he was conceived inside the belly. So we see that John's soul was already created in the "secret place", written in the "Book of Names" and waiting for his time of birth in the earth to fulfill his purpose that God ordained him for. Our God even knows how many hairs were on his or even our heads. Let's look at Matthew 10:30.]

8. Now there are some people born that God did not create and write into the "Book of Names"; and we know this because God said that He would say unto them: Matthew 7:23

And then will I _____ unto them I _____.

[Note: Now remember God told Jeremiah he knew him before he was inside the belly. So we see that there are people here on earth that is not of God's seed. These people are referred to as "hybrids"; like a nectarine. Likewise, a hybrid is not a pure seed.]

9. How did the hybrid seeds get into the world and who was responsible? Matthew 13:38-39

- a. The field is the _____ and the good seed are _____
- b. The bad seed or tares are _____
- c. The _____ that planted the bad seeds or hybrids is the _____

[Note: Remember the serpent was in the Garden of Eden to trick the two new, baby souls so that he could have his evil children born also.]

10. How do we, the saints of God, know that we are the good seed, not a hybrid and therefore have a personal relationship with God? 1 John 2:3-4

a. The saint can boast that they know God because they: _____

b. A hybrid cannot boast that they know him and is untruthful because they:

c. The Prophet John refers to this person as a: _____

[Because the bad seeds or the hybrids were not written in the "Book of Names", they are forever angry with the saints (good seed) of God and continually make war with them where ever they are: at home, at school/work and at play. We see this in Revelation 12:17 and also in Matthew 5:10-12 (as was learned in the class entitled, The Testimonies of Jesus). They want to take our place in heaven, but they refuse to do what it takes to get there.....THE COMMANDMENTS OF GOD AND THE TESTIMONIES OF JESUS! THEY WANT SALVATION WITHOUT REPENTENCE.
