- ◆ Durable
- ◆ 25% recycled content
- ◆ 20% nitrile for grease resistant mats

Axia Distribution, Corp (**Happy Mat**) has distributed a full range of **high-quality mats** to the restaurant, janitorial and industrial supply industries across then North America since 2004. You might find less expensive mats, but you'll never find quality mats at more competitive prices.

Our uncompromising sourcing and state-of-the-art manufacturing process are keys to our commitment in delivering the best quality products: **durable** and strong with **no unpleasant oily odor**. On top of that, we offer warranty to protect our customers.

With a head office in Vancouver, BC Canada and several strategically located warehouses across the United States and Canada, we commit to provide our customers a more efficient **distribution network**. This is to ensure that you will get what you need when you need it.

Thank you for continuous **trusts and loyalties** of our distributors and dealers, as well as our supporting representatives, we have grown steadily over the years. That is exactly how we are going to continue to grow, innovate and expand our offerings.

**CREATE SAFER & COMFORTABLE
WORKING ENVIRONMENT**

-

Warranty

Axia Distribution Corp (The "Distributor") guarantees all Happy Mats against manufacturing defects in material and workmanship for :

1. Terracotta Mat = 2 years from date of shipment
2. Black Mat = 1 year from date of shipment

In no event shall the Distributor be able in any way for :

1. any damage resulting from misuse or neglect
2. any damage resulting from alteration or modification
3. any damage caused by any casualty, including without limitation, fire, wind, floods or acts of God
4. any consequential, special, accidental, intentional or incidental damages of any nature whatsoever
5. any expenses, including labour and material, incurred during the investigation, removal or reinstallation of the defective product or parts thereof, or
6. any amounts in excess of the selling price of the product or any parts thereof found to be defective

Replacement of manufacturing defects is conditional upon :

1. claim made in writing to ("website or business address") within 30 days from the day defect becomes obvious
2. shipment to the distributor of that part of the product through to be defective together with proof of purchase and
3. Inspection and determination by the distributor that there exists a manufacturing defect

If manufacturing defect is found to exist and the condition met, the distributor will repair or replace, at its option, that part of the product which is defective. Repair or replacement of any part under this warranty shall not extend the duration of the warranty with respect to such repaired or replaced part beyond the started warranty period. This warranty is in lieu of all other warranties either express or implied, and such other warranties, including without limitation implied warranties of merchantability or fitness for a particular purpose, are hereby disclaimed and excluded from this warranty.
