Mission Statement

"Intedge Manufacturing, Inc. is committed to the manufacturing of value-added quality textiles, for the foodservice industry, proudly carrying the "Made in the USA" label. We recognize each individual's contribution and dedication towards our #1 priority: exceeding customer expectations."

Manager's Message

A Prosperous and Happy New Year to all!

Thanks to our loyal customers we have completed another successful year. We, at Intedge Manufacturing, Inc., are very pleased with our offerings this year; in addition to some exciting brand new items, I would like to make you aware of our unique ability to provide special services and custom designed items in a variety of fabrics, colors, and sizes, at very competitive prices. I would like to emphasize our production flexibility and encourage you to take advantage of our skilled workforce and creative teams, which provide us with the ability to design, implement, and deliver custom projects to best support your customer's needs.

Thank you for your business...

Cordially,

Debi Collier
General Manager

Terms of Sale

- 1. Opening Account:** Customer must submit a credit application together with an opening order of \$1,000.00 Chart.
- 2. Terms:** We expect all accounts to pay their bills in 30 days as our Terms are Net 30 Days, unless otherwise stated in your contract. **No C.O.D's.** All past due invoices will be subject to a financing charge of 1.5% per month. A continued credit rating is determined by appropriate payment history. Accounts will be deleted for credit or insufficient annual sales. All returned checks and other payment collection costs will be the responsibility of the account.
- 3. Drop Shipments:** All drop shipments will be subject to shipping charges.
- 4. Acknowledgements:** If for any reason your order will be delayed in shipping due to manufacturing lag, special instructions, or credit, you will be advised in a timely manner. Otherwise, orders will be shipped within 5 working days, and custom items will be shipped within 10 working days, unless specified by the customer.
- 5. Shipping:** Freight Prepaid: \$2,500 net per shipment for continental USA to stocking distributors. Back orders will be combined, if feasible, to qualify for the next prepaid shipment. Drop shipments excluded. Must specify freight prepaid when ordering. Any product requested to be shipped by the customer before the order is complete, customer will be responsible for those freight charges.
- 6. Damaged Good or Shortages:** Proper claim must be filed against the carrier by the dealer within 5 days of receipt of goods; OTHERWISE FREIGHT COMPANY WILL NOT HONOR CLAIMS. This includes apparent or concealed damage discovered after unpacking. These instructions must be followed exactly, as Intedge's responsibility ceases when shipment is accepted for delivery by common carrier.
- 7. Minimum Orders:** \$20.00 surcharge on all orders less than \$1,000.00.
- 8. Broken Case:** a fee of 20% applies to all orders.
- 9. Return Policy:** There is a restocking charge of 20%. All returns must be properly packaged, and equipment must be in its original carton. Returns must be sent back to us by PREPAID freight. Intedge will not accept returns without prior authorization. Errors made by Intedge, are to be brought to our attention within 3 days of receipt of shipment. Returns **must be made within 30 days of receipt of shipment.** Any unauthorized returns will be subject to additional charges.
Custom items are non-returnable.

All prices are subject to change without notice.

The utmost care was used in preparation of this catalog, but we cannot be responsible for printing errors or omissions.

High-Heat Oven Mitts

Heat-Resistant up to 500°F, these new Kevlar®/Nomex® High-Heat Oven Mitts from Intedge will protect you from hot surfaces, radiant heat, boiling water, steam & flames. The temperature rating guarantees protection while the various lengths give added protection to the wrist or elbow. The hanging loop makes for easy and out-of-the-way storage, giving you easy access without taking up valuable counter space.

MAINTAIN FOOD TEMPERATURE

2 critical reasons for temperature control:

PREVENT PATHOGENS:

- ▶ If food cools below 135 f it is an invitation for dangerous pathogens to breed.
- ▶ Eating food contaminated with pathogenic bacteria can make you sick.
- ▶ Some of the most common foodborne pathogens are Salmonella Listeria, and E. coli.

CUSTOMER ENJOYMENT:

- ▶ Most like it hot!
- ▶ Customers expect hot food orders to arrive hot.
- ▶ Human beings evolved to prefer hot food. Warmth enhances flavor on the sensory papillae of our tongues.
- ▶ Heating food boosts its energy value.

Batteries are changing industries
 Power Tools and Automobiles are good examples
 Heating food or drinks is very energy intensive
 Until today, batteries were not a feasible option
 INTEDGE is "leading the charge"
 Patented/patent pending
 Thermo-electric tech

BATTERY PACK

Up to 3 hours of run time per charge.
 Swap batteries for repeat usage

FULLY PORTABLE

Multiple Mounting Options
 AC or Battery Operation
 Enclosed Fan for Air Circulation
 Directional Clip-On Air Ducts
 Maintain 140-155°F Internal Container Temperature
