

Woof Away Dog Grooming - Class Prices

Class	Description	Price (R)	Example Breeds
A	Small Short-Haired Dogs: Short, smooth coats that require minimal detangling and quick drying.	R275	Smooth Dachshund, Pug, Smooth Chihuahua, Boston Terrier.
B	Small Long-Haired Dogs: Long or fluffy coats that need deeper conditioning, detangling, more brushing time, and a full blow-dry.	R300	Yorkie, Maltese, Pomeranian, Shih Tzu.
C	Medium Short-Haired Dogs: Medium-sized breeds with short coats that require thorough washing, drying, brushing, and light detangling.	R330	Beagle, Staffordshire Terrier, Whippet.
D	Medium Long-Haired Dogs: Medium dogs with long or feathered coats needing more detailed brushing, coat detangling, conditioning, and full drying.	R360	Cocker Spaniel, Sheltie, Long-coat Border Collie.
E	Medium-Large Short-Haired Dogs: Active medium-large dogs with short coats requiring a deeper wash, full brushing, proper drying, and nail care.	R400	Short-coat Husky, Doberman, Pointer.
F	Medium-Large Long-Haired Dogs: Long, thick, or dense coats needing full detangling, brushing, conditioning, and extended drying time.	R450	Golden Retriever, German Shepherd, Australian Shepherd.
G	Large Short-Haired Dogs: Large breeds with short coats where size increases wash and blow-dry time. Includes brushing, light detangling, and nail care.	R500	Rottweiler, Boerboel, Great Dane.
H	Large Long-Haired / Double-Coated Dogs: Thick, fluffy, or double coats requiring extensive brushing, detangling, undercoat work, conditioning, and long drying sessions.	R550	Samoyed, Rough Collie, Long-coat Husky.
I	Extra-Large / Heavy-Coated Dogs: Very large or extremely dense coats needing intensive brushing, detangling, coat care, and longer grooming sessions.	R580	Newfoundland, Bernese Mountain Dog.
J	Ultimate Pet Care: Breeds requiring the highest level of coat management due to size, coat thickness, or grooming time. Includes full detangling, deep brushing, conditioning, and extended drying.	R600	St. Bernard, Old English Sheepdog.
