

Partnership Questionnaire

1. 1N structure and agreements when Opponents interfere.
2. 2N Structure.
3. Bidding over Opponents' NT (Weak & Strong).
4. Bidding after Stayman is doubled (1N & 2N).
5. Bidding after Jacoby is doubled (1N & 2N).
6. Bidding after Texas is doubled (1N & 2N).
7. Agreements after we overcall, partner Q-bids and Q-bid gets doubled.
 - Pass = ?
 - XX = ?
 - Bid = ?
8. Continuations after the opponents double a splinter bid in the middle of our constructive auction.
 - Pass =
 - XX =
9. Continuations after our 4NT-RKC or any Ace-asking bid is doubled.
10. Continuations after we overcall and opponents make a negative double.
 - XX =
10. DIRECT SEAT
 - A. Continuations after we overcall 3N when they open 3 of a suit.
 - B. Continuations after we overcall 3N when they open 2 of a suit.
 - C. Continuations after we make a take-out double of a weak 2-bid.
 - D. Continuations after we overcall a weak 2-bid with 2N.
11. Changes, if any, w/ #11 when actions A-D are not in direct seat.
12. Continuations after we overcall 1M and partner responds 1N.
13. Continuations after we overcall 1M, LHO bids 1N, and partner makes a responsive double.
14. Agreements if they interfere in either seat, after we have opened 2♣.
15. Agreements when they bid after we have opened 2♥ or 2♠ (weak) and we have bid 2N, both when weak 2-bidder's RHO bids lower than our suit and when RHO bids higher than our suit.
16. Agreements when the opponents interfere after we have made a strong major suit raise.
17. Agreements when the opponents interfere after we have begun an Inverted Minor sequence.

18. Detailed and exact meaning of double by opener after we have begun a 2/1 auction, and the opponents enter the auction.
19. The impossible Spade.
20. Continuations after we open a weak 2-bid and the next hand overcalls.
21. Continuations after we open a weak 2-bid and the next hand doubles.
22. Point ranges for balancing w /1N and 2N over various suit openings.
23. Point ranges for 1N response to Partner's take-out double and various suit openings.
24. Meaning of 2N by PH after weak 2-bid P – (P) – P – (2♥).
25. Meaning of 4N after partner opens 1♣, 1♦, 1♥, 1♠ respectively and RHO preempts at the Four Level.
26. Degree to which a Q-bid is forcing after partner makes a take-out double. Does it matter if Q-bidder is a PH or an UPH?
27. Strength of new suit by take-out doubler after partner has responded 1N to his double. Does the answer vary dependent upon new suit being a major or a minor?
28. Scope, if any, of Equal Level Conversion agreement.
29. What do double jumps in pass-out seat show? (1♦) P (P) 3♥?
30. Do you play non-serious or serious 3N after 8+ card major suit fits have been uncovered on game-going auctions?
31. Do you play last train?
32. How do you handle opening bids that become "Five Level Drives" once partner has responded one of a major, without jeopardizing you Four Level contract?
33. When are your passes of redouble to play?
34. When the opponents open one of a major, your partner makes a take-out double, and RHO raises his partner's major in an artificial manner, what do bids by you (the responder to the take-out doubler) mean?
35. Agreements after opponents overcall 1N. Bids by both responder and opener, and area to which your side is forced after you double a 1N overcall for penalty.
36. If after you make a take-out double, partner makes a bid in competition, is a new suit by you (the take-out doubler) absolutely forcing?
37. Do you play support double? If so, how high?

38. If you make a take-out double, partner Q-bids, and you Q-bid in return, is this GF or can you get out in 3♥ or 3♠?
 (1♦) X (p) 2♦
 (p) 3♦ (p) 3M
39. Agreements regarding:
 (4♥) X
 (4♠) X
 (4♠) 4N
40. (4♠) 4N (P) 5♦
41. Do you bid conventionally over opponents' strong 2N opening?
42. (1♣) P (1♠) 2♥
 (2♠) 3♣?
 3♦?
43. What does the following double mean?
 (1♦) P (1♠) 2♥
 (3♦) X?
44. Meaning of actions between 2-bidders(1x) P (1Y) 1N?
 2x?
 2y?
 3x?
 3y?
 2N?
 double?
