COVID-19

Covid-19, Social Distancing and Keeping our members safe.

The last few months have been very difficult for everyone, and the impacts have been felt throughout everyone's daily life. For many we have had to keep away from loved ones and friends. We have had to change the way we socialise and interact. Many members of the Chapter have been stepping up as key workers, while others have had to self isolate to protect themselves or family.

We have all had our own experience during these stressful times, but we are all looking forward to the future and to days when we can meet our friends, enjoy riding together, and just enjoying the things we are missing.

We will continue to monitor Government advice on meeting up, ride outs and other social distancing measures that are necessary to keep all our members safe and convey the latest advice to you either on our social media pages, or via the Charter chat pages. Stay safe brothers and sisters!

STOKE CHAPTER

What Is Ladies Of Harley (LOH)? Ladies of Harley (LOH) is a program sponsored by the Harley Owners Group (H.O.G.) to support women motorcycle enthusiasts for both riders and passengers. It is not a separate organization within H.O.G., but was established to encourage women to become more active in H.O.G. and their local chapters. You don't have to have your own bike to be a LOH member. LOH encourages women to participate in chapter events as well as functions specifically for the ladies.

How do you become a member of Ladies of Harley? You must first be a member of the National H.O.G., then you can join your local chapter. You can be either a full or associate member. Ladies of Harley membership also allows you to participate in all LOH activities at various H.O.G. rallies and events. There is no additional fee to be a Ladies of Harley member.

Ladies of Harley

Although many of our ladies of Stoke Hog are pillion riders we are excited that one of our members now has her own trike and we are hoping that she will start to fly the rider flag.

Stoke Hog is an all inclusive club and we welcome people of all ages and genders. But going forward we would as a Chapter like to welcome Ladies of Harley and with HOG UK and Ireland promote women in our chapter. Let's 'Sparkle' forward and 'Twinkle' into the future.

Here are just a few of our current 'Ladies'.

We are pleased to announce the new website, which we hope will be expanded to provide the Chapter with a site to showcase our Chapter, our members and our love of all things a Harley Davidson.

WHO ARE WE?

Our Club

The Stoke Chapter is an official chapter of the Harley Owners Group. We are a sociable and friendly group of individuals who are Harley Davidson enthusiasts. Throughout the year we organise events, ride outs, day trips, attend rallies and raise money for local charities.

Where Do We Ride?

Holding monthly and annual events, we also plan multiple ride outs every year, so there is bound to be something for everyone. We take part in many charity rides and events as well as our own club organised ride out events. Contact us if you would like to join the chapter and take part in these events.
