

Stoke Chapter Newsletter

The Annual General Meeting (AGM) was held on Thursday 27th February 2020 to a fabulous turn-out of members. We were also pleased to welcome a number of new members on the night.

Amongst the things up for discussion were Ride Out ideas for the upcoming year and we are pleased to say that a number of new rides were suggested. A list of chosen rides and dates to follow.

The highlight of the evening was of course a small presentation to Steve Sutton (Sutty) for his dedicated service to the Chapter and the committee over the last seven years. Sutty has been and integral part of the Chapter and the committee and has been instrumental in helping the group grow and develop into the Chapter we have today. Although no longer on the committee, Sutty will remain involved with the chapter and be on hand to offer support. From everyone at the Stoke Chapter...Thank you Sutty!

Changes to the Chapter....

Following from the amicable discussions with Stratstone Harley Davidson at Wolverhampton, the Stoke Chapter has now become an independent Chapter.

For the foreseeable future, the Chapter will be supported by the team at H.O.G. UK in Oxford. With their support, the Chapter will continue to grow and the thrive.

While, no location is yet known, we are hopeful that a new Harley Davidson dealership will one day be back in Stoke, and we can once again align with a local dealer.

A new dealership in the area, will no doubt be very exciting news and we will be sure to keep you informed of any new developments as soon as we know.

Merchandise Sales

Available from Chapter meetings are a wide range of H.O.G. themed Items and a fabulous clothing range. These are changed frequently and we will always try to bring you the latest, on trend items. Ladies Of Harley Stoke Chapter

What Is Ladies Of Harley (LOH)? Ladies of Harley (LOH) is a program sponsored by the Harley Owners Group (H.O.G.) to support women motorcycle enthusiasts for both riders and passengers. It is not a separate organization within H.O.G., but was established to encourage women to become more active in H.O.G. and their local chapters. You don't have to have your own bike to be a LOH member. LOH encourages women to participate in chapter events as well as functions specifically for the ladies.

How do you become a member of Ladies of Harley? You must first be a member of the National H.O.G., then you can join your local chapter. You can be either a full or associate member. Ladies of Harley membership also allows you to participate in all LOH activities at various H.O.G. rallies and events. There is no additional fee to be a Ladies of Harley member.

Ladies of Harley

Although many of our ladies of Stoke Hog are pillion riders we are excited that one of our members now has her own trike and we are hoping that she will start to fly the rider flag.

Stoke Hog is an all inclusive club and we welcome people of all ages and genders. But going forward we would as a Chapter like to welcome Ladies of Harley and with HOG UK and Ireland promote women in our chapter. Let's 'Sparkle' forward and 'Twinkle' into the future.

Here are just a few of our current 'Ladies'.
