

Patient Care Instructions

Dear Visitor,

Thank you for helping us during this trying time. Taking care of a seriously ill patient can be a lot of work so your support is greatly appreciated!

Since there is a lot that goes into taking care of a seriously ill patient, I have created Patient Care Instructions to guide you. Having a set of guidelines will ensure I don't forget to tell you something important. Plus, it takes the pressure off _____ from giving directions.

I have included many details about _____'s care that should help you to handle almost any situation that arises. However, if you need me please call me at _____.

Thank you for taking such great care of our loved one! We appreciate your love and support.
