

A Better Calgary Starts At Home

Safe streets. Fair taxes. Back to basics.

Born in Bridgeland. Raised in East Calgary. Still here.

**Your Conservative Choice
For City Councillor**

My **Vietnamese** refugee parents arrived with nothing but quiet strength, **calloused hands**, and a dream: that hard work and community could build a better life.

I watched my resilient parents give more than they took never asking for special treatment, just a **fair opportunity**.

Now, I'm raising five kids of my own in **Ward 9**. I've turned empty lots into homes, ideas into action, and neighbours into friends.

As **President** of Albert Park/Radisson Heights Community Association, I've done what City Hall talks to death but never fixes. I've rolled up my sleeves and got things done.

Advance Vote: Oct 6 - 11, 2025

Election Day: October 20, 2025

**“Ward 9 Deserves Better.

Why I'm Running

I know the feeling of being **unheard, unseen, and overlooked** when people needed help the most.
I also know the power of being **heard**.

I'm not a career politician. I'm a **Builder, a Father, a Neighbour**.
I'm running for City Council because people like us, the ones who wake up early, work late, and hold this city together **deserve a voice** that actually gets things done.

If you've ever felt like **City Hall forgot about us**, you're not alone. And you're not wrong. That's why **I'm here**.

Join me, let's **win this together** for a Ward 9 that reflects our values, honours our effort, and invests in our future.
