

Melvich Community Council

Serving the Communities of Melvich, Portskerra, Halladale and Forsinard

This is a letter of support from the community council to advise Melvich Community SCIO that they have the backing and support of the community council with their plans to move forward with a new community hub.

We welcome the plans for a new community hub and see it as somewhere for locals to congregate and bring back the community spirit that has in the past been diminished.

We look forward to hearing about all the community engagements planned for the new community hub which will benefit the local community and help with the community hub running.

Again we would like to reiterate that if there is anything we can help with please get in touch.

Thanks

Andrew Mackay

Chairman
Melvich Community Council
