Community Growing Project

- Intention is to make good use of the site of the former village hall as a community space.
- Funding of £4400 secured towards slabs, planters, etc.
- First planning meeting for implementing project took place on 13th November 2021.
- All items installed will be moveable so that they will be re-used as part of the overall community hub design.

4

Micro-grants

- Thank you for the £150 received as a contribution towards providing catering on Remembrance Sunday for those that attended.
- £500 micro-grant requested for benches to be used in the Community Growing Project at the site of the former village hall. Outcome awaited.
