	O01	Rattan Chargers	10" Rattan Chargers. These can be used at each place setting or in the centre of the table for vases and candles
	O02	Wood Charger	We do not currently have enough these to do large weddings, but we do have enough as centerpieces, or we use for food stations, bars and wine barrels.
	O03	Clear plastic charger	These chargers are made of plastic and were left from a wedding. They look nice down to start the service, but because they are plastic, might recommend having servers clear them once guests are seated.
	O04	Mirrored centerpiece	Round or octagonal mirrors for the centre of round or rectangular tables.
	O05	Mixed Eucalyptus Garland	Green garland with small flowers. the most realistic and full fake garland we have.
	O06	Eucalyptus Garland	Plain green eucalyptus garland
	O07	White flower branches	These fake flowers make nice centerpieces, hang well off the chandelier and placed on the head table. They do look fake up close, but provide good wow in white from a distance.
	O08	Chocolate Fountain	Interested in a chocolate fountain for your late night? We have two fountains and offer chocolate fondue service for late nights.
	O09	Cake Risers	We have many cake risers in wood, white ceramic and glass. If you have a preference for which ones you prefer, let us know otherwise we will let your caterer and our banquet manager select.
	O10	Serving Dishes	For Family style and buffet dinners, we have 3 styles of platters we use. We have enough of each design to do each table once, with lots of white platters to supplement
	O11	Chafing Dishes Rectangular	For buffet dinners we use stainless steel roll top chafing dishes.
	O12	Chafing Dishes Round	For sides and smaller items we use these rounded chaffers.

	O13		
	O14		
	O15	Regular Coffee Service	This service is better used when you plan to ;leave the coffee out for several hours.
	O16	Silver Coffee Service	The silver service is better when coffee is served after dinner, but cleared after an hour or two.
	O17	Dance Floor lighting	We use these uplights for when dancing begins. They lights go to the sound of the music. If you do not want these lights, or want only one colour uplighting, please let us know and we will do our best to accommodate.
	O18	White on wood table numbers	
	O19	Wood stump Table Number	
	O20	Cut letter table numbers	
	O21	White Frame Table Numbers	Make your own insert so your table number matches your stationery and wedding vibe.
	O22	Small clip table number	Small stainless steel clip that can be used with any card stock paper.
	O23	Green Moss Balls	Medieum and Large Moss Balls for head table, buffett and bar decor
	O24	Glass and Rope Balls	Green, orange and clear glass balls with rope around them. nautical look. enough to do mixed colours on tables, bars, head table and buffett
