2. Group Meeting, Home Meeting, Vital Companions, Gospel
3. Prayer Meeting, Lord's Table

Our aim: to stir up the young people's love for the Lord Jesus by unveiling Christ!

Exodus 28: The breast plate signifies Christ. The Ephod, made of gold thread (divinity/glory) woven together with fine linen (fine humanity), blue (heavenly), purple (royal/kindness), and scarlet thread (redemption), attached the breast plate to the high priest. Therefore, the more we see and appreciate Christ in His divinity and humanity with His attributes and virtues the more He will be attached, fastened, and connected to us. This is the way to firmly attach Christ to the young people.
