Mr. and Mrs. Ravi Chopra
Global Seva Fund, Inc.
11113 Devereux Station Lane
Fairfax Station, VA 22039

Dear Mr. and Mrs. Chopra,

Donors like you are a very important part of our family. You play a key role – along with our employees, researchers, physicians, nurses, healthcare professionals, and volunteers – in making Inova the place where so many patients and families turn for urgently needed care and support at the times when they need it the most.

Thank you for your generous pledge payment of \$2,500 to the Inova Fair Oaks Hospital Patient Care Fund. Your gift has a tremendous impact in ways you might not even imagine – in ways that can make a huge difference to patients and families whose lives are changed because of you and the donation you provided at a critical time. Our records show that your pledge of \$5,000 is now complete.

Your generosity makes it possible for us to be there at each stage of the health care journey – from wellness to health screenings to inpatient clinical care to researching innovative new treatments — by providing the critical resources needed to save lives and invest in the best medical treatment, enhanced emergency services, neonatal intensive care services, groundbreaking cancer and genomics research, and much more.

As a donor, you have many choices on where you would like to make your gift. On behalf of the entire Inova family, we are honored that you choose to support us so that we may be there when our communities need our services the most.

Sincerely,

Sage Bolte, PhD, LCSW, CST
Chief Philanthropy Officer and President
Inova Health Foundation

P.S. As a non-profit organization, we rely on gifts like yours to ensure we can be there when patients and families are in need. For questions, please contact Lori Powell at 703-289-2476 or lori.powell@inova.org.

Note: In compliance with Federal tax law, we also acknowledge that you received no goods or services in return for your gift. This receipt should be retained as substantiation of any charitable deduction.
