Dear Global Seva Fund Inc.:

On behalf of Washington Adventist University, I would like to express our sincere gratitude for your generous gift and for establishing the Global Seva Fund WAU Scholarship. Your commitment to supporting our students is deeply appreciated and reflects a meaningful investment in the future of our university community.

Washington Adventist University is dedicated to educating students for lives of service, integrity and moral leadership grounded in the teachings of Jesus Christ. Through a Christ-centered educational experience, we strive to cultivate intellectual growth, spiritual development, and a strong sense of purpose in every student we serve. Your partnership helps make this mission possible.

The establishment of the Global Seva Fund WAU Scholarship will provide critical financial support to students who are striving to pursue their academic goals while preparing to serve their communities and professions with compassion and excellence. Scholarships play an essential role in removing financial barriers and ensuring that talented and motivated students have access to the transformational education offered at Washington Adventist University.

Your generosity not only supports individual students but also strengthens the broader mission of the university. By investing in the education of our students, you are helping develop future leaders who will make meaningful contributions in healthcare, business, ministry, public service, and many other fields in the world.

We are honored to partner with Global Seva Fund Inc. in this important work. Your dedication to service and philanthropy aligns closely with our values and our commitment to preparing graduates who will positively impact society through leadership, faith, and service.

Thank you once again for your generosity, your partnership, and your belief in the mission of Washington Adventist University. We are truly grateful for your support and look forward to witnessing the many ways in which this scholarship will transform the lives of our students for years to come.

With sincere appreciation,

Weymouth Spence, Ed.D., RT.
President
