Greetings Mr. and Mrs. Chopra,

I am Sheetal Manavi Kumar. Thank you for letting me join forces with you all on a mission to make a difference. It is an honor to be associated with the Global Seva Fund Inc. My experience with the members of GSF and the senior group at the Rajdhani Mandir has been wonderful, thanks to you both. Being able to see many bright faces, interact with such genuine individuals, develop new bonds with one another, and assist anyone in need warms my heart. I was also lucky enough to witness the 10th celebration of the Sadabhar Senior Group at the Rajdhani Mandhir. This event brought me satisfaction that what I have and am investing my time in, is worth it and will make for a better tomorrow.

Mr. and Mrs. Chopra, your benevolence has provided me with many precious opportunities and is one of the most prominent reasons why my faith in humanity has been restored. You all and GSF have positively impacted my life and have taught me many noteworthy lessons, including to extend unconditional love, despite the circumstances. I would like to thank you both for putting the community first and making it a priority to spread positivity.

Lastly, this connection that I have with you all, GSF, and its spectacular supporters will always have a special place in my heart. I'm very excited to see what's in store for us, create more memories with you all, and take part in this amazing cause! Thank you once again!

Warmest Regards,

*Sheetal Manavi Kumar*
