Stories of Impact

Meet Liam

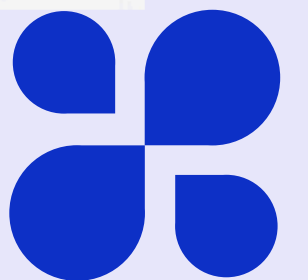

Liam was born at 30 weeks. He was in NICU for 3 months. He has a diagnosis of Hydrocephalus, Seizure & Chronic Lung Disease. He requires Oxygen, suctioning and has a G-tube for feeding. The Extraordinary Kids Foundation provides 8 hours of skilled nursing childcare per day at our center QLH Kids. Liam also receives physical and occupational therapy to assist with his development delay. Liam continues to defy odds and thrive under our care.

Stories of Impact

Meet Silas

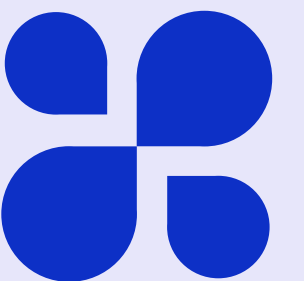

Silas is 5 years old and has a diagnosis of Down Syndrome & Developmental Delay. Silas can eat by mouth but not enough to sustain nutrition and requires a G-tube for additional feeding. He has been attending our Medical Daycare for 3 years. He receives, physical, occupational and speech therapy to aide in his development. Silas has made great strides since attending our center.

Stories of Impact

Meet Zoe

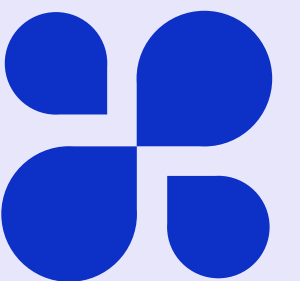

Zoe has a diagnosis of Down Syndrome, Congenital Heart Disease and Autism. She is 16 years old. Zoe has a G-tube for feeding. She has been attending QLH Kids for 7 years. She has made great strides in both her health and behavioral management. Zoe is very smart and loves to have fun.

Stories of Impact

Meet Dallas

Dallas is 6 years old and has a diagnosis of Asthma, Coarctation of Aorta and Vocal Cord Paralysis. Dallas has a Tracheostomy which is an artificial airway in his neck that allows him to breathe. Due to financial difficulties Dallas and his mom were recently evicted. The Extraordinary Kids Foundation stepped in and provided financial assistance to help them find a new place. Dallas & his Mom moved into their new apartment May 1st.
