### Free Movies on "Wild Life" to Feature Rod and Gun Club Meeting

The North Eastern Lancaster County Rod and Gun Club will hold an interesting meeting on Monday evening, March 21, at 7:30 o'clock, in the Terre Hill Fire Hall. The feature of the evening will be the presence of Mr. Norman Wood who will show several reels of Moving Pictures on "Wild Life", he will also speak on that subject. This will be free to the public and especially Sportsmen are urged to be present.

### Band Concert and Old Home Week Planned by Playground Association

The Terre Hill Play Ground Association met in the High School Building on Monday Evening. At this meeting five directors were elected for a term of three years as follows: Robert Homan, Ralph Coleman, Dr. J. M. Wenger, Barton Eschelman and Everett G. Weaver.

The board of directors immediately reorganized with the following officers: Rev. C. D. Rabuck, President; Norman Weaver, Vice President; Robert Homan, Treasurer; Everett G. Weaver, Secretary.

It was decided to have the Lancaster Military Band present a Free Concert in the Terre Hill Fire Hall on Friday evening, March 25th, to which the public is cordially invited to attend.

Committees have been appointed to make arrangements for an Old Home week to be held May 27th to 30th inclusive.

Membership cards are available, 50 cents for adults and 25 cents for children. It would be appreciated if persons of the community would procure their membership cards in this Association, as the money realized will be used to pay off the Play Ground.

### POET'S CORNER

#### One More Spring

So many gentle springs  
Have come this way—  
The first warm winds  
Across the old brown hills  
The timid gold  
Of early daffodils,  
The swelling buds  
Of graceful willow trees,  
Above blue waters  
Rippled by a breeze.  
A robin's wordless song  
Against the dusk,  
Shattering silence,  
Sad and over long,  
Old men's faces  
Turned to greet the sun,  
Knowing once more  
The joy of winter done,  
And children's voices  
Up and down the street,  
Happy in play  
The lengthened day to greet.  
So many gentle springs  
Have come this way—  
The wonder of it is  
That I can still,  
In my heart's heart  
As long ago, yet thrill  
To hear them say,  
"Another lovely spring  
Has come today."

## Narvon Man's Right

### Arm is Amputated

Roy Weller, thirty-five, Narvon, his  
right arm amputated below the elbow  
as the result of an accident at the clay  
mines of Lewis Whitaker, Narvon.  
Thursday, was reported in a fair con-  
dition at St. Joseph's hospital Thurs-  
day.

Weller, father of four children, was  
working alone atop a clay and gravel  
separator when he slipped and his  
arm was drawn into a train of gears.  
Jerking his mangled arm free of the  
gears before his body could be drawn  
into the machinery, Weller began a  
perilous descent to the ground, eighty-  
five feet down a slender ladder.

Reaching the ground, he called to  
fellow workmen to summon aid. Dr.  
P. R. Wentz, New Holland, adminis-  
tered emergency treatment and or-  
dered the victim's removal to the hos-  
pital. Fellow workmen included:  
Frank Sandoe, Cedar Lane and John  
Davis and Walter Evans, of Narvon.  
Earl Trego, of Cambridge and Lewis  
Whitakes, of Narvon, operator of the  
mines.

### Bowmansville

A spelling bee will be held in Stone  
Hill school house about two miles  
from this place in Brecknock town-  
ship on Saturday evening, March 19.

There will be spelling classes and  
general information. An admission  
of 15 cents will be charged for adults  
and 10 cents for children under 10  
years of age.

John Wise is serving as juror in  
Philadelphia this week.

Remember the date, Tuesday, even-  
ing, March 22 at 7:30 o'clock in the  
Lutheran and Reformed church, when  
"The Thunder of the Sea" will be  
shown.

## Deaths

### Abraham S. Kurtz

Abraham S. Kurtz, sixty-two, of  
Seven Acres, Upper Leacock township,  
died of complications at 10:30 A. M.  
Monday at his home after an illness of  
several weeks. He was a resident of  
Upper Leacock township for the past  
twenty-five years. He was a retired  
railway mail clerk and was a member  
of St. Paul's Reformed church, of  
Lancaster.

He is survived by two children:  
Lester R., at home, and Vera, wife of  
Max Lyons, of Lancaster; a brother,  
Christian S., of Hinkleton, and one  
grandson. His wife the former Cora  
Mae Rutt Kurtz, died in 1928.

Services were held at 9 A. M. Thurs-  
day at the late home, with further  
services at 10 A. M. in the Wenver-  
land Mennonite church. Interment  
was made in the adjoining cemetery.

### Mrs. Lizzie Miller Haldeman

Mrs. Lizzie Miller Haldeman, fifty-  
two, wife of Wayne Haldeman of near  
Murrell, died at 9 A. M. Friday in the  
Stephen Memorial hospital, Ephrata,  
of complications. She was a member  
of the Brethren church.

Besides her husband, she is survived  
by a son, Wayne Jr., of Ephrata R. D.  
3; also the following children by a  
former marriage, Harry Habecker,  
Mrs. Clair Spotts, of Ephrata R. D. 3;  
and William Habecker of Lancaster;  
also the following brothers and sisters,  
Harvey Miller, of Lexington;  
Steven, Mrs. Harry Gerhart, and Mrs.  
Mary Habecker, all of Brannerville;  
and Mrs. Ella Kilhefner, of Ephrata.

Services were held Tuesday at the  
Bergstrasse church. Interment was  
made in the adjoining cemetery.

### Clinic for Crippled Children

The Lancaster County Society for  
Crippled Children, Inc., will hold a  
clinic for Crippled Children at the Lan-  
caster General Hospital, April 13,  
1938.

The Clinic will be in charge of Dr.  
Dr. J. T. Rugh, assisted by Dr. J.  
Kirk.

All children to be examined or oper-  
ated upon at this Clinic must be regis-  
tered at the office of the Society, City  
Hall, Penn Square, any time prior to  
Saturday, April 9, as no registrations  
will be accepted after that date.

Each person applying for registra-  
tion who has never before attended  
these Clinics must present a letter of  
recommendation from the family phys-  
ician.

The Lancaster County Society relies  
upon the interest and aid of physicians  
and others interested to make this  
work a real value to the physically  
handicapped. The purpose of the  
work is to bring these opportunities  
to those who are financially unable to  
secure them for themselves therefore,  
we request of you to refer only such  
cases whom you feel should be entitled  
to service rendered in a free clinic.

### Predict Big Year for Automobile Travel

Pennsylvania's biggest year in automobile travel was predicted Monday, on the basis of driver licenses issued the first two months of 1938.

Three hundred thousand more motorists had obtained licenses Monday, than during the first two months of 1937, as the deadline for renewing driver licenses passed.

Charles M. Dougherty, director of the Bureau of Motor Vehicles said more than 2,000,000 licenses had been distributed, and predicted that the year's total would be in excess of 2,500,000—approximately one-fourth of the state's population.

### Warn Owners of Dogs to Get 1938 Tags

Dog owners in Lancaster county stand in danger of paying between \$25,000 and \$500,000 in fines if Dog Law Investigator Franklin G. Filman catches their pets.

Filman who will grab any Towser he finds without a 1938 license, has been told at the County Treasurer's office that 22,000 had licenses last year but only 17,000 have them now.

By dint of fourth grade arithmetic, the officer computes that about 5,000 dogs lack licenses and that their owners are liable to fines of from \$5 to \$100 each, or for imprisonment to thirty days. The deadline for getting a new license was January 15.

Filman also warns—That dogs trained for game must be accompanied by owner or handler.

That dogs caught worrying, wounding or killing livestock or poultry may be killed, whether they have a license or not.

**Oldest European Settlement**  
Ciudad Trujillo—formerly Santo Domingo—is the oldest European settlement in this hemisphere, having been founded by Bartolome, a brother of Christopher Columbus, in 1496. There are ancient buildings which have been standing since the days of Columbus. These include the first Christian church in America, San Nicolas de Bari, erected in 1505, the tower of Homage, once the prison of Columbus, the Alcazar de los Colon, the palace of the Columbus family, built by Diego Colon, viceroy of the West Indies and son of the discoverer. Outstanding is the cathedral of Santo Domingo, construction of which was begun in 1514 and completed in 1540. In the cathedral is the tomb of Columbus.

**Birth of the "Marseillaise"**  
There is a popular story that the inspiring "Marseillaise" was written as the result of a burst of patriotism. Actually, the song seems to have been written not at Marseilles, but at Strasbourg as a result of the mayor complaining that there was no real marching song for the troops. Rouget de Lisle composed the words, but doubt exists as to the composer of the music, says Pearson's London Weekly. "The Marseillaise" was first played at a review of the Garde Nationale on April 20, 1793, and first achieved fame when sung by the Republican troops that assaulted the Tuilleries a few months later.

### Lesson for March 20

#### KEEPING THE BODY STRONG

LESSON TEXT—Mark 6:53-56; Judg. 13:12-14; 1 Cor. 3:16, 17; Rom. 12:1, 2.  
GOLDEN TEXT—Now therefore beware, I pray thee, and drink not wine nor strong drink, and eat not any unclean thing.—Judg. 13:4.

PRIMARY TOPIC—The Body God Gave Us.

JUNIOR TOPIC—For Jesus' Sake.  
INTERMEDIATE AND SENIOR TOPIC—What Liquor, Drugs, and Tobacco Do to Health.

YOUNG PEOPLE AND ADULT TOPIC—How Intemperance Affects Health.

The universe of God is perfectly organized in every respect. Beings that function in the spirit realm are spirit beings, not subject to the limitations of the physical world. We who dwell and serve in the physical world are equipped with physical bodies which are ideal instruments for our present existence.

With all their shortcomings and frailties, our bodies are indeed marvelous machines, intricate and delicate, yet unbelievably hardy and durable. They are a gift from God, and it is our express responsibility to glorify God in our bodies (1 Cor. 6:20).

#### I. How to Have a Strong Body.

It is obvious that not every one has equal physical strength and health. In some measure this is by divine providence or at least by God's permissive will, and those of us who find ourselves thus limited do well to count on His grace for patience to use what we have for His glory. But not one of us wants to yield hopelessly to our inability. Rather we will do our best to overcome it. We want to know

1. How to cure weakness (Mark 6:53-56).

God alone can heal the sick. Even in our day when science has made such strides in the healing art, we note that the most successful remedy or system of treatment is the one that clears the way for what men call nature, but we know to be God, to work. Jesus healed the multitudes in the land of Gennesaret; He heals in America.

2. How to prevent weakness (Judg. 13:12-14).

The mother of Samson, who was to be a Nazarite, was to drink no wine and to observe careful dietary regulations before he was born.

Note also that if it is bad for a man to have such poisons in his veins before he is born, surely it is poor judgment to put them in after he comes to the age where he controls his own life. We need to watch our diets, and we have much valuable help on that point. We also need to give serious attention to the use of narcotics. It may surprise some to know that the term narcotics includes not only drugs and alcoholic beverages, but also tobacco, and such common things as tea and coffee.

Other abuse of the body, such as overwork, neglect of rest, etc., may well be mentioned. The besetting sin of some Christian workers is the destruction of their bodies, the very temple of the Holy Ghost, by overwork.

#### II. How to Use a Strong Body.

Unfortunately as it is to observe that some who would serve the Lord have to struggle with the weakness of the body, it is far sadder to note that all too often those who

have strong bodies forget to use that strength for God. Our Scripture portions give us two excellent guiding principles. Our bodies should be

1. Kept for God (1 Cor. 3:16, 17).

These verses refer to the body of the Christian, for only of him can it be said that his body is the temple of the Holy Ghost.

The Holy Spirit is a person, the third person of the blessed Trinity. He comes to dwell within the soul of the Christian immediately upon his being regenerated, thus making his body the temple of the Holy Ghost. A clear grasp of that truth solves the problem of what we should do with and for our bodies. We must keep them well and clean. We dare not defile them in any way. The body of the Christian is kept for God.

2. Yielded to God (Rom. 12:1, 2).

It is a high and noble sacrifice to die for Christ.

But our call just now is to be a "living sacrifice." There are times when that may seem harder than to be a martyr. We do know that it is not always easy to live through the drab, difficult, and sometimes dreadful days, with a clear and shining testimony for Christ. But it can be done and is always to His glory. It is by the transforming grace of God that we are enabled to live such a life.

#### Meditation

It is the mark of a superior man that, left to himself, he is able endlessly to amuse, interest and entertain himself out of his personal stock of meditations, ideas, criticisms, memories, philosophy, humor and what not.—George Nathan.

#### Like Unto Him

"There should be no greater comfort to Christian persons than to be made like unto Christ by suffering patiently adversities, troubles, and sickness."

#### Novel Lighting

New York—So that New York World's Fair visitors may find a haven of peace and quiet after busy hours viewing the wonders of the universe, an esplanade two-thirds of a mile long will be constructed so that not a single light bulb will be visible. The illumination will be a soft glow reflected from the under side of tree leaves upon which mercury vapor lights are trained from fixtures sunk into the ground.

## • THESE ARE LIFESAVERS •

THAT'S what Consumers Information calls these workers in a Pittsburgh glass plant, who are testing and finishing non-shatterable glass for use in automobiles. It is explained that one of the greatest hazards in auto accidents used to be flying glass, which was the most common cause of injury. Now all American cars are equipped with the shatter-proof variety, developed by American industrial research experts especially for this purpose, and the saving of many lives is the result. The man shown above keeps a constant vigil with his pyrometer, to assure proper melting conditions. The girl is polishing the edges of a car window.

## MARRIED

### Wenger—Eby

The marriage of Miss Marian L. Eby, daughter of Mr. and Mrs. Ira M. Eby, of Leaman Place, and John S. Wenger, son of Rev. and Mrs. Benjamin G. Wenger of Murrel, was solemnized at 9:30 o'clock Saturday morning, at the home of the bride's parents. The ceremony was performed by the bridegroom's father, in the presence of the immediate families.

The bride was attended by Miss Edna Pheneger, as maid-of-honor, and Elmer N. Hershey was best man. The ushers were David Hoover and Clyde Stoner.

Following the ceremony, a wedding breakfast was served to ninety guests. After April 1st, the couple will reside at Hinkstetown.

### Fisher—Beck

Mr. Harry E. Fisher of Stevens R. D. 1 and Miss Bertha B. Beck of Denver R. D. 1, were united in matrimony at the Lutheran parsonage, 322 Main street, Denver, by the Rev. W. R. Knerr, at 7:30 o'clock, Saturday evening. The couple were accompanied by Mr. and Mrs. Ralph Good of Terre Hill.

### Eberly—Moyer

Mr. John Eberly of East Cocalico Township and Miss Anna Mae Moyer of Berks County were united in marriage on Saturday evening at the Lutheran parsonage in Ephrata, by the pastor, Rev. A. W. Leibensperger. The ring ceremony was used. They were attended by Mr. Walter Staub of Reading and Miss Arlene Roth of East Cocalico Township.

### Dennis—Good

Miss Dorothy Good, daughter of Mr. and Mrs. Elam Good, of Remmstown, and Lester Dennis, son of Rufus R. Dennis, of Stevens R. D., were married at 7:15 o'clock Saturday evening by the Rev. W. S. Brendle at the parsonage of St. John's Reformed church, Denver. The ring ceremony was performed.

The couple was attended by Mr. and Mrs. Alvin D. Haines, of Ephrata, and Mr. and Mrs. Howard M. Grimes, of Denver.

Following the ceremony a reception was held at the home of the bride's parents.

Both Mr. and Mrs. Dennis are employed at the Bollman Hat company, Adamstown. They will reside at 104 West Main street, Adamstown, after April 1.

### Diem—McCorkle

The marriage of Miss Verna C. McCorkle, daughter of Edwin McCorkle, of Bird-in-Hand, and Lester B. Diem, son of Mr. and Mrs. Earl C. Diem, of Bareville Heights, took place Saturday afternoon at 2 o'clock in the parsonage of Trinity Lutheran church, New Holland. Rev. Frank Ulrich, pastor, performed the ceremony. The attendants were Miss Mae Sensenig, of near Martindale, and Lloyd Martin, Weaverland.

The bride wore white satin with accessories to match and her attendant

## 2 Charged with Manslaughter

Two motorists were charged with involuntary manslaughter Saturday following two fatal accidents. They are:

C. Earl Newcomer of Salunga, arrested by Chief of Police Charles Hollinger, Manheim, who brought manslaughter charges against him before Alderman Frank Brady camp in connection with the allegedly hit-run death of C. Raymond Geib, forty-six, Manheim, insurance broker.

Robert H. Byers, nineteen, Lampeter, who was driving the car which struck Teresa Robbins, six, daughter of Mrs. Ida Robbins, 528 East Chestnut street, Thursday morning. Byers, in addition to manslaughter charges, also faces a charge of assault and battery by automobile in connection with the striking and injuring of Howard Brenner and his sister, Doris, 452 East Orange street, who were hurt at the time the Robbins girl was hit.

Police said Geib was struck by the car driven by Newcomer after he failed to stop at a stop sign at High and Market streets, Manheim. Newcomer sped away from the scene of the accident, police said.

## Dedicate New P. O. at Ephrata

The new \$73,000 postoffice at Ephrata was dedicated Saturday night in the presence of approximately 4,000 citizens as an aid to present prosperity and future progress.

Fourth Assistant Postmaster-General Ramsey Black, representing the Federal government, lauded the community spirit and lack of partisanship, and promised the department would continue its efforts to improve the efficiency, the civil service, and the service in general.

He said in part, "When the history of the present era is recorded, the Public Works program, which made this building we are dedicating today possible, will be recognized as one of the most important factors, if not the greatest single factor, in terminating the economic chaos which threatened the country when our great president and leader, Franklin D. Roosevelt, took office on that bleak fourth day of March in 1933."

Postmaster W. Fred Smith, in opening the program, pointed out that it is the first Federal building in Ephrata's history. The postoffice in the past 122 years has been housed in a rented or leased building. Burgess John M. Royer, and State Representative Baker Royer both paid tribute to Smith's geniality and popularity.

Representative Royer pointed to the fact that upwards of \$200,000 in new buildings construction has been or is in progress in Ephrata, and said the post office was an important part.

State Representative Ruth Grigg Horting of Lancaster, outlined the development of the postal system in the United States from 1638, when the first messages were carried. In 1781 there were 75 offices, she said; now there are 46,000.

were blue satin with matching accessories. A small reception was held for the couple at the home of the bride. They will reside at the home of the bridegroom's parents who will give a reception for them on Saturday, March 26.

INDUSTRIAL engineers have now developed the device shown above. Consumers information reports, to test colorfastness of fabrics, so that manufacturers can make sure in advance that their materials won't fade in the sun. Women never used to be sure that their dresses and draperies would retain their original

brilliance until they had actually been exposed to sunlight. But through the use of this machine, developed by industrial research experts, it is now possible to tell whether dyed fabrics will hold their color. This is just one more of the many examples of how industry helps the consumer.
