

BMC TIMETABLE 2022

Class levels are consecutive: completing a Level 1 class leads to Level 2, then Level 3. Classes have up to five students, except for Recorder. Students new to Belmont Music Centre should enrol in Level 1, unless they have had relevant prior learning elsewhere. Students who've had 3 or more years experience in an instrument may join our highest level class in that instrument. Recommended age guidelines are based on the practicalities of learning in a group as well as playing/holding the instrument.
