

A BRIGHTER FUTURE STARTS WITH YOU

At The Social and Learning Institute, our mission is rooted in the idea that all people with intellectual and developmental disabilities are defined by their own strengths and abilities—not by their disability—and that each person deserves every opportunity to thrive and participate fully in society. Our programming is designed to expand minds, teach essential life skills, and help individuals recognize their worth through a structured balance of socialization and learning activities.

We invite you to become a member of our community through our Key Sustainability Program. Individuals and organizations who participate in this program are the backbone of our organization and play key roles in shaping our future.

By becoming a member, you're giving someone a sense of community, access to fundamental education, and a meaningful life that might otherwise have gone unrealized.
