

THE SOCIAL & LEARNING INSTITUTE

"Abby Sellers is simply inspirational. She truly makes me want to be better in my role and makes it a joy to come to work!"

-Trish Dittmer
Assistant Program Coordinator

Congratulations Abby Sellers, and Welcome Debbie Grott!

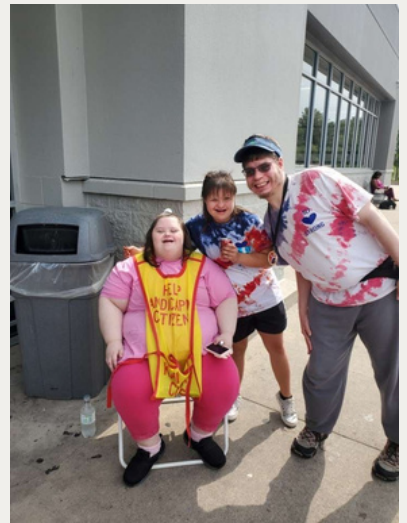

Fall teaches us that change is beautiful and the changes to staff are even more proof of that. We are so excited that Abby Sellers has accepted the position of Program Coordinator. Abby has been an amazing addition to our staff over the last year. The kindness and energy she brings to our program is amazing to see.

And we want to extend a warm welcome to Debbie Grott, our new program assistant! Debbie comes to us with several years experience with adults with disabilities. Debbie already knows several of our students from other spaces and everyone is thrilled to have her with SLI.

Debbie and Abby have so many new, unique and really fun ideas for our program! We are so excited to see our program grow!

You can always count on the students and staff at The Social and Learning Institute to be doing fun things! From Yoga, dancing, and cardio drumming, to health lessons in the classroom. Crafts, fun projects, walks outside, field trips, and and special celebrations, we always have things happening! We are forever thankful to our generous donors who help make SLI our happy place.
