

VOLUNTEER OPPORTUNITIES

There are many ways to volunteer your time and talents to support **The Social and Learning Institute**.

The Social and Learning Institute derives its name from two of life's activities responsible for the personal growth of each individual. **Socializing** with other people and **learning** about the world we live in are skills that we must all learn in order to successfully navigate through our daily lives.

The Institute offers a unique educational experience for its students no longer eligible to attend public school programs and seeking other options for services.

The Institute currently serves 27 students ranging in age from 22-70.

VOLUNTEER REQUIREMENTS

Volunteers must be high school age or above.

All volunteers must complete an Application for Volunteer Service. Applications are available at the Institute or online.

If selected for volunteer service, authorization for a personal background check is also required.
