

JESS DAVIS TRAINING
Accredited training for your business

Introduction to Social Care

The introduction to social care is a perfect induction for new staff entering into the social care profession. With a basic introduction into all of the subjects contained within the care certificate, this face to face, two day training course will prepare your staff for their first few weeks in the care environment.

Day 1:

- Infection control
- Basic life support
- Human rights
- Safeguarding
- Person centred care
- Dental hygiene

Day 2:

- Mental capacity act
- Deprivation of liberty safeguards
- Dementia awareness
- Fluids and nutrition
- Dignity and respect
- Equality and diversity

Our team can come to you to deliver the training. All delegates will receive an accredited training certificate valid for three years.
