December 18, 2025

# **ATTENTION WATER USERS**

Due to cold winter weather fluctuations and low temperatures, it is advised you **run a small amount of water** to avoid frozen pipes. It is the customers' responsibility to ensure the meter does not freeze. The Town of Lima allows 20,000 gallons of additional monthly usage at no cost during the months of December through March (and sometimes April; watch for posting).

## **TIPS**

- Keep garage doors closed if there are water supply lines in the garage.
- Open kitchen and bathroom cabinets to allow warmer air circulation around plumbing.
- If you will be away, leave the heat in your home set to no lower than 55° Fahrenheit.

Please call 276-3521 if you have any questions.
