

TOWN OF LIMA
CITY COUNCIL
SPECIAL MEETING
September 29, 2023, 7:00 pm

MEMBERS PRESENT: David Olsen, Travis Wilson, Jackie Sutton, Jim Fullard, Randy Bernard

STAFF PRESENT: Dina Young, Jim McGraw

OTHERS PRESENT: Pete Brown

The council discussed potential options for water service on the north end of town. The current 2" main would need to be replaced by a 6" main, and a permitting process through DEQ would be required, which would necessitate a plan created by a professional engineer. This would be a very costly endeavor. The council agreed to invite the applicable property owners to a meeting in order to discuss this. This meeting will be held on Monday, October 23rd, 2023, at 7:00 pm, and a Zoom format will be available for those unable to attend in person.

Meeting adjourned at 8:19 pm.
