

Happy Friday DPG Officers, Congressional Chairs, and County Chairs!

I hope your March is off to a great start. We are full steam ahead on coordinated hiring and planning. Our coordinated team is officially 12 staffers deep and we have our coordinated votebuilder + mobilize turned on! Additionally, we have coordinated merch live on the [DPG website store](#)! Please find updates below about our upcoming Volunteer Leader Summit, Field Office identification form, and our field organizer job description!

All the best,
Kyle Tromley

Volunteer Leader Summit

Join us for our Volunteer Leader Summit on April 11th in metro Atlanta!

The purpose of this summit is for our leadership team to facilitate community building and training on skills that our volunteer leaders will need this cycle, before organizers arrive in field offices. Additionally, we will use this as an opportunity to introduce our Regional Organizing Directors to the leaders in their regions and work to build a foundation of trust that we will continue to develop throughout the cycle.

When our volunteer leaders return home, they should grasp the 2026 coordinated campaign plan, understand their role in the campaign, be trained on necessary basic organizing skills needed, and have an established relationship with their Regional Organizing Director.

We will be providing lodging to a limited number of attendees joining from outside of the metro area. Our program will wrap up in time for the DPG's [Carter Lewis Dinner](#) that evening.

The summit is open to all Democratic volunteers in Georgia who are excited to make an impact this year. We will be in touch with location and other logistics. **Priority Deadline is 3/24.**

Please share [this application](#) with leaders in your county!

Office Inquiry Form

The Coordinated Campaign aims to foster a close collaboration with stakeholders across Georgia this election cycle. In building this partnership, we are asking county parties to complete this inquiry about your office space in hopes that the campaign will be able to partner with you to build capacity all over the state.

[Upon completing this inquiry](#), a member of the Coordinated Campaign Operations Team will contact you to chat more specifically about the scope of this partnership. We look forward to connecting!

Field Organizer Hiring

We are beginning to collect Field Organizer resumes! ***Applicants can submit their resumes at [this link](#)***. The job description is attached to this email as a PDF. Please share this far and

wide! We will begin interviewing applicants on a rolling basis beginning the final week of March. The first wave of organizers will be onboarded in May!
