Fall Luncheon

What a fun Fall/Halloween luncheon for Gals Going Global.

Mysteries of India

-- Dubai, India and Nepal

<spanDubai – India – Nepal

Dubai was hot & dry. It is a very modern city with some of the tallest buildings including the tallest in the world – the Burj Khalifa. Outside of town, there are lots of sand dunes where we went 4-wheeling. We learned about the Arab culture, the Spice and gold Souk and saw the world's largest shopping mall.

In India we visited a Sikh temple, Muslim mosques, the world's oldest sundial, Amber Fort, the Taj Mahal and many religious sites. In Ranthambore National Park we saw many different animals including a tiger. We visited the Taj Majal. On the River Ganges we attended a Ganga Aarti ceremony where religious ceremonies were conducted to honor the sacred river and saw where bodies were cremated. We learned about many different religions – Sikhs, Muslin, Buddhism, Hinduism and more. We also enjoyed a home-hosted meal with a local family.

TAJ MAHAL

Dinner with a Nepalese family

In Nepal we flew around Mt Everest, visited a Buddhist temple that is home to holy monkeys, visited a local girl who is worshipped as the living incarnation of a goddess and received a blessing. We visited a monastery where we met with the high Lama and received a blessing. We visited other temples and enjoyed a home-hosted meal with a local Nepalese family.
