Potential roommates needed for: Ireland and Greece/Turkey!!

Although the **New Zealand to Australia Princess cruise isn't until 2028**, cabins are booking up quickly since it is a unique itinerary that doesn't offer a lot of sailing dates.

If you are interested, only a \$100 p/p deposit will hold a cabin for you until **October 29, 2027**

We will be having a get together for the Gals on the **Venice & Croatia trip leaving October 10th** soon. Travelers will be notified shortly of the date, place and time of our document party get together.

Those Gals not in the Billings area will have their documents mailed directly to them.

For our Gals going on either one of the **African Safari dates November 2nd and 11th**, one of our members going on the trip contacted **Costco's Medicine Consultation Program by SafeGard** regarding recommended and necessary vaccinations. This is an option, but I would suggest checking with your personal physician or Riverstone Health. The link is-

<https://www.costco.com/p/-/full-service-travel-medicine-consultation-program-by-safegard/100123081>

Just make sure you have the correct Costco location if using them.

As soon as we can apply for the Kenya and Tanzania visas, I will be getting a letter from Collette with the information as to how to go about doing this. I will forward the information to our gals via email. I will be available to assist anyone that needs help with this.

Not ready for fall yet but looking forward to cooler days and clear Montana skies again!!

FUTURE EVENTS

Watch for an upcoming October event that is in the planning stages right now. Crystal, owner of Cream of the West will be conducting a presentation just for us on how to read food product labels to know what the healthiest choices are to look for. She will discuss their family's farming methods that are going back to the most natural, healthy grain production. And, hopefully, she will include some taste testing and recipes incorporating ways to use Cream of the West products. If you were on Tammy's Mystery Trip you know how delicious their products are and you know how knowledgeable Crystal is about food and health. If you weren't on the trip, ask someone who was ... they will tell you this is an event you won't want to miss.

Date, cost, and location will be available as soon as we get it finalized.

COMPLETED EVENTS

Mystery Day 2026

Was a great day of looping through small towns in Montana!

The first stop for the 30 of us was the historic and intriguing Adams Hotel in Lavina.

Next stop was a very interesting visit to the Cream of the West plant in Harlowton where we learned about healthy eating.

We then moseyed over to Martinsdale for lunch and a tour of another historic hotel. After lunch our fearless tour director and bus driver took us to the Bair Family Museum and home, very large and beautiful.

As we headed west toe stopped at The Fort in Big Timber for some shopping and

Ended the day at the 307 Bar and Grill for a delicious dinner.

It was a wonderful day! Mystery

Lake Elmo

We enjoyed a lovely walk around Lake Elmo on August 12th. Six Gals walked and talked and laughed as we beat the heat on this coolish morning.

Sip & Paint Night at Crooked Line Studios

Thank you Jody Senini for planning and arranging a very fun evening of Sip and Paint on August 18th at Crooked Line Studios. 15 Gals painted with gusto while enjoying some yummy snacks and wine. The art piece was a super cute stack of three old fashioned suitcases decorated with flowers designed specifically for our group of women travelers. Each artist created the same piece but all with their own unique flair.
