As a Christian nonprofit organization, Feed My Starving Children is called to feed God’s starving children hungry in body and spirit. Every year, millions of children die from preventable causes such as pneumonia, malaria and under nutrition. Hunger is still causing nearly half of deaths in children under 5 years old. Feed My Starving Children believes hope starts with food.

FMSC offers volunteers a one-of-a-kind experience. You’ll hand-pack rice, soy, dried vegetables and a nutritionally complete blend of vitamins and minerals into bags which are then sealed, boxed, placed on pallets and shipped to our incredible partners working hard to reach the neediest children around the world. FMSC food has reached more than 70 countries in our history.

Through volunteering at FMSC, you’ll get the chance to impact hundreds of kids in just a two-hour packing shift. You’ll experience what it’s like to make a tangible difference today.
