Memories*

# ADDITIONAL NEED TO KNOW TIPS:

-We provide paper products for only the party package count. If you would like for us to supply the plates and forks and napkins for your additional party guest, we can do so for an additional \$5.00 for up to 10 more sets. Feel free to bring extras if you need more than your party count.

-To help our concession flow, we will serve every party between the time frame of 12:30-1:45 ET for day session and 6:00-7:30 ET for the night session. We like to have our guests served in a timely manner and still be able to take care of our daily customers. This time frame is critical for us to keep all food fresh as possible when served. Please make sure your guests arrive on time if they would like to have hot fresh food!

-Birthday Star t-shirts are delivered by our mascot and are always delivered **immediately after games and races.**

-If you know *ahead of party day* about how many additional pizza/hot dogs you will need **please let us know as soon as possible.** We are a small cooking area and need approximate counts in order to better serve everyone. Otherwise, there may be a delay in getting your additional items as we must consider the other reserved parties that are waiting on their items as well. Thank you for understanding!
