

COASTAL CAROLINA HYGIENE
FORUM PRESENTS

*The Power
of
Collaboration*

**A YEAR OF
LEARNING AND
GROWING
TOGETHER**

A message from our Director

I want to personally welcome you to the inaugural year of the Coastal Carolina Hygiene Forum. We are very excited to be launching a program tailored specifically for the enrichment of our local hygienists. My vision, in directing our Hygiene Study Club, is to create an environment for Hygienists in the greater Jacksonville area to strengthen their clinical skills, further develop their techniques in patient care and cultivate deeper relationships with peers in the profession. Together, we are creating a standard of dental excellence, improving the quality of our practices, enhancing our individual skills, and providing the highest level of patient care. This year's theme for our study club is "The Power of Collaboration...a year of Learning and Growing Together." With the program we have planned this year we can develop additional skills and obtain the tools we need to help us climb towards the summit and reach our goals as a team. I am looking forward to a successful first year for the Coastal Carolina Hygiene Forum.

-Jose

Our Director **Jose Arauz, D.M.D.**

Dr. Arauz received his first dental degree (Doctor in Dental Surgery, D.D.S.) from the University of Panama in Panama City, Panama in 1997 and then his second dental degree (Doctor in Dental Medicine, D.M.D.) from Case Western Reserve University School of Dental Medicine in Cleveland, Ohio in 2004. He completed his specialty degree in Periodontology at the University of Rochester's world-renowned Eastman Dental Center in New York in 2002, and completed a two-year residency in advanced education in general dentistry (AEGD) and general practice residency (GPR) as well. While at Case Western Reserve University, he was an Assistant Professor in the Department of Periodontics and he taught to residents and dental students for five years. He was also Clinic Director of the residency in Periodontics, and directed courses in Implantology, Sedation, and Surgical Periodontics.

Additionally, Dr. Arauz was a staff periodontist and consultant in periodontology and dental implants at the Department of Dentistry of the world-renowned Cleveland Clinic, and practiced periodontics and dental implantology in private offices located in Westlake, Lyndhurst and Mentor, Ohio. Dr. Arauz has been in practice in this area since December 2007. And, moving to the beautiful Eastern Carolina area has been a "dream come true" for him and his family. Dr. Arauz is a Board Certified periodontist, Diplomate of The American Board of Periodontology, and an active member of the American Academy of Periodontology, the Academy of Osseointegration and the American Board of Periodontology. The dental practice of Dr. Jose Arauz is limited to Periodontics, Implants, and Oral Medicine

****Please note that the Full Staff Morning event on September 20th, 2019 and the community event on March 13th, 2020 are not part of the Calculated Tuition, CE Credits and Curriculum for our Hygiene Study Club but they were taken into consideration when choosing our meeting dates as we would love for all of you to attend these adjunct CE credit events.*

Benefits of Joining the Coastal Carolina Hygiene Forum

- *Stay up-to-date on the latest topics and technologies relevant to hygienists.*
- *The hygiene forum parallels the dental forum allowing you to gain similar knowledge and approaches as your Doctor, if they are a member, which in turn can help improve communication between you and your Doctor.*
- *Access to resources that will further your education and enhance your ability to deliver excellent patient care.*
- *Gain more confidence to better discuss things with your doctor and present pertinent information to your patients.*
- *An opportunity to learn and collaborate with other Hygienists in the area in a friendly and welcoming environment.*

"Unity is strength. . . when there is teamwork and collaboration, wonderful things can be achieved." ~Mattie Stepanek

Reviews of Trial Hygiene Forum Sessions
