

2nd Annual 2026 Teddy Bear Roundup

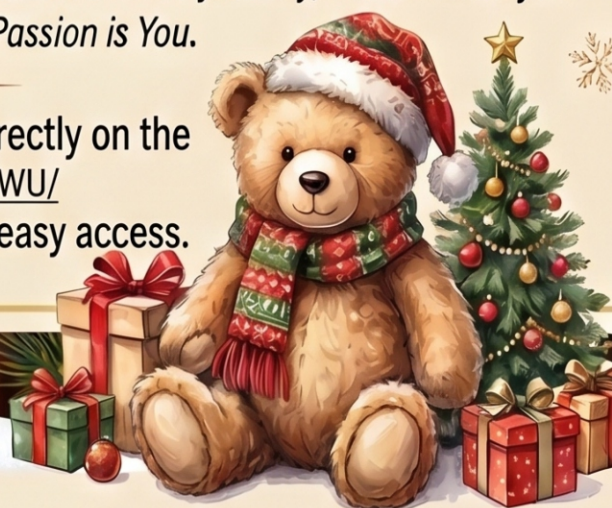

Help us collect Teddy Bears to be given to children while at UMC Children's Hospital in Lubbock Texas during the year. These special bears will allow a child to feel normal while in the hospital. The bears will also go to children that return for annual parties. We started the round up at Round 1 of Fun in the Fall series and will draw for over 40+ prizes at the always fun Fear Arenacross to be held at the Young County Arena in Graham Texas on December 4th & 5th, you do not need to be present to win.

Brownlee Racing, our member tracks and the public have a challenge goal to collect 1,000 Teddy Bears. The challenge goal came as the direct results of the huge generosity of Chase and Christy Reynolds of Triple Threat Racing. Our original goal was 500; they have already delivered 500 bears. The agreement was if they gave 500, we would collect another 500, challenged accepted. Help us reach this goal and help UMC Children's hospital. You have 40 chances to win, if you donate you are already a winner by putting a sparkle in a child's eye. The drawing will take place on Saturday December 5th at the Arenacross.

- Each new Teddy Bear will get you 1 entry in the prize package. **No limit to the number of entries per person.**
