

Platinum Dental Rider

Optional Supplemental Benefit

As a UnitedHealthcare member, you have the option to get dental coverage through the Platinum Dental Rider for an additional monthly fee. This fee is on top of any premium you pay for your Medicare Advantage plan and Medicare Part B coverage.

For an extra \$54 a month, you'll get access to dental coverage that includes:

- \$1,500 per year for covered dental services through the Platinum Dental Rider.
- \$0 copay for covered network preventive services such as oral exams, routine cleanings, X-rays and fluoride.
- 50% coinsurance for bridges and dentures, \$0 copay for all other covered network comprehensive services such as fillings, crowns, root canals and extractions.
- Access to one of the largest national dental networks. Out-of-network coverage is available. If you choose to see an out-of-network dentist you might be billed more, even for services listed as \$0 copay.

You can enroll in the dental rider when you enroll in your Medicare Advantage plan. If you don't enroll then, you can call Customer Service at the number on your UnitedHealthcare UCard® or go to the Coverage & Benefits section of your member website to enroll in the dental rider within 3 months after your plan coverage starts.

If you enroll in the rider when you enroll in your plan, your rider coverage will start when your plan starts. If you wait to enroll within the 3 months after your plan starts, your rider coverage will begin on the first day of the month after the rider is purchased.
