

# Longest Day

## Awareness Event

**JUNE 17, 2026 | 11 AM - 1 PM**

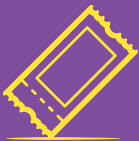

**Rennes Health & Rehab Center-Peshtigo East  
701 Willow Street, Peshtigo**

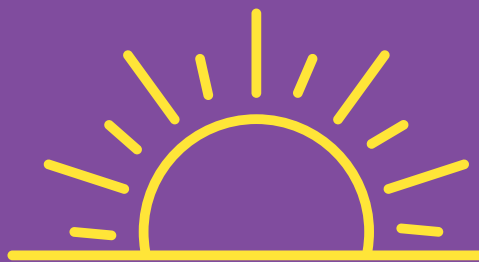

**The Longest Day is the day with the most light - the summer solstice (June 21). This day is all about love; love for our family members, friends, and neighbors living with dementia, and for their caregivers whose days truly never end. This event symbolizes their difficult journey by bringing awareness and raising funds for local dementia-friendly community initiatives such as Purple Angel Business Training and Comfort Bag projects.**
